Sailordiplomat A Biography Of Commodore James Biddle 17831848:

The Autobiography of Rear Admiral John A. Dahlgren John Adolphus Bernard Dahlgren, 2018 Government by Mourning Atsuko Hirai, 2020-03-17 From the early seventeenth to the mid nineteenth century the Tokugawa shogunate enacted and enforced myriad laws and ordinances to control nearly every aspect of Japanese life including observance of a person's death. In particular the shoguns Tsunayoshi and Yoshimune issued strict decrees on mourning and abstention that dictated compliance throughout the land and survived the political upheaval of the Meiji Restoration to persist well into the twentieth century. Atsuko Hirai reveals the pivotal relationship between these shogunal edicts and the legitimacy of Tokugawa rule. By highlighting the role of narimono chojirei injunctions against playing musical instruments within their broader context she shows how this class of legislation played an important integrative part in Japanese society not only through its comprehensive implementation especially for national mourning of major political figures but also by its codification of the religious beliefs and customs that the Japanese people had cherished for innumerable generations. *John Jacob Astor* John Denis Haeger, 2017-12-01 Biography of John Jacob Astor's life and his career as a merchant fur trader and land speculator as vehicles for examining several important themes and issues in American economic and urban development between 1790 and 1860. John Jacob Astor was the best known and most important American businessman for more than a half century. His career encompassed the country's formative economic years from the precarious days following the American Revolution to the emergence of an urban centered manufacturing economy in the late 1840s. Change was the dominant motif of the period and Astor either exemplified the varied economic social and political changes in his business career or he directly affected the course of events. In this biography of John Jacob Astor John Denis Haeger uses Astor's life and his career as a merchant fur trader and land speculator as vehicles for examining several important themes and issues in American economic and urban development between 1790 and 1860. Haeger addresses in fascinating detail the complexity of Astor's business endeavors his extensive connections with the country's dominant political figures and the modern business strategies and managerial techniques that he used to build his business empire. Astor was clearly not a business revolutionary who radically altered an existing system. He was however an entrepreneur who exerted a profound change on an industry. He fascinated his contemporaries precisely because he so mirrored his age and its changing business and economic patterns. He grasped the greater size and complexity of an emerging commercial economy in post Revolutionary America and adopted strategies and structures that transformed the fur and China trades. His investment in city real estate stocks bonds and even a western city made him part of America's evolution into an urban industrial society. For his era John Astor's career was remarkable for its modernity vision and reflection of American economic and political values. More than just a personal biography John Jacob Astor combines economic theories with a fascinating narrative that demonstrates like no other book has Astor's impact on the early republic. *1812* Jon Latimer, 2009-07-01 Listen to a short interview with Jon Latimer Host

Chris Gondek Producer Heron the Battle of Lake Erie the burning of Washington the death of Tecumseh Andrew Jackson's victory at New Orleans but their war of conquest was ultimately a failure Even the issues of neutrality and impressment that had triggered the war were not resolved in the peace treaty For Britain the war was subsumed under a long conflict to stop Napoleon and to preserve the empire The one lasting result of the war was in Canada where the British victory eliminated the threat of American conquest and set Canadians on the road toward confederation Latimer describes events not merely through the eyes of generals admirals and politicians but through those of the soldiers sailors and ordinary people who were directly affected Drawing on personal letters diaries and memoirs he crafts an intimate narrative that marches the reader into the heat of battle Sailor-diplomat David Foster Long,1983 *The Encyclopedia of the War of 1812* Spencer C. Tucker,2012-04-25 This work is the most comprehensive reference work on the War of 1812 yet published offering a multidisciplinary treatment of course causes effects and specific details of the War that provides both quick reference and in depth analysis for readers from the high school level to scholars in the field The Encyclopedia of the War of 1812 A Political Social and Military History dedicates 872 entries totaling some 600 000 words to this important American war It is the most comprehensive and significant reference work available on the subject Its entries spotlight the key battles standout individuals essential weapons and social political and economic developments and examine the wider concurrent European developments which directly affected this conflict in North America A volume of primary documents provides more avenues for research This three volume work offers comprehensive in depth information in a format that lends itself to quick and easy use making it ideal for high school college and university level learners as well as general learning annexes and military libraries Scholars of the period and students of American military history will find it essential reading **Commodore Robert F. Stockton, 1795-1866** , Chronicles of the Frigate Macedonian, 1809-1922 James Tertius de Kay,James T. De Kay,2000-08 The history of His Majesty's Frigate Macedonian recommissioned USS Macedonian after its capture from the British in the War of 1812 is an engrossing tale filled with battles chases near mutiny and an engaging cast of commanders of illustrations **The Naval War of 1812: 1813** William S. Dudley,Michael J. Crawford,Christine F. Hughes,1985 During the War of 1812 the U S Navy came of age In fleet actions on the lakes and single ship engagements at sea American men of war defeated Royal Navy ships of similar force Naval officers such as Isaac Hull Stephen Decatur Oliver H Perry David Porter and Thomas Macdonough became heroes and their ships Constitution United States Niagara Essex and Saratoga symbols for an American public proud of its navy The three volumes will again call to mind the famous naval actions and events of our second war of independence with Great Britain Introduction **Inside the US Navy of 1812-1815** William S. Dudley,2021-04-20 The author presents an administrative and logistical history of the US Navy during the War of 1812 He explains how the naval department of the young republic managed to build maintain man fit out provision and send fighting ships out to sea for long periods of time in addition to considering the problems faced by high command **The**

Naval War of 1812, 1985 **United States Naval History** Barbara A. Lynch, John E. Vajda, 1993 *The Naval War of 1812* William S. Dudley, Michael J. Crawford, Christine F. Hughes, 1985

During the War of 1812 the U S Navy came of age In fleet actions on the lakes and single ship engagements at sea American men of war defeated Royal Navy ships of similar force Naval officers such as Isaac Hull Stephen Decatur Oliver H Perry David Porter and Thomas Macdonough became heroes and their ships Constitution United States Niagara Essex and Saratoga symbols for an American public proud of its navy The three volumes will again call to mind the famous naval actions and events of our second war of independence with Great Britain Introduction United States Naval History United States. Navy Department. Library, 1993 The Encyclopedia of the Mexican-American War Spencer C. Tucker, 2012-10-09

This user friendly encyclopedia comprises a wide array of accessible yet detailed entries that address the military social political cultural and economic aspects of the Mexican American War The Encyclopedia of the Mexican American War A Political Social and Military History provides an in depth examination of not only the military conflict itself but also the impact of the war on both nations and how this conflict was the first waged by Americans on foreign soil and served to establish critical U S military political and foreign policy precedents The entries analyze the Mexican American War from both the American and Mexican perspectives in equal measure In addition to discussing the various campaigns battles weapons systems and other aspects of military history the three volume work also contextualizes the conflict within its social cultural political and economic milieu and places the Mexican American War into its proper historical and historiographical contexts by covering the eras both before and after the war This information is particularly critical for students of American history because the conflict fomented sectional conflict in the United States which resulted in the U S Civil War **American Naval History, 1607-1865** Jonathan R. Dull, 2012-12-01

For its first eighty five years the United States was only a minor naval power Its fledgling fleet had been virtually annihilated during the War of Independence and was mostly trapped in port by the end of the War of 1812 How this meager presence became the major naval power it remains to this day is the subject of American Naval History 1607 1865 Overcoming the Colonial Legacy A wide ranging yet concise survey of the U S Navy from the colonial era through the Civil War the book draws on American British and French history to reveal how navies reflect diplomatic political economic and social developments and to show how the foundation of America s future naval greatness was laid during the Civil War Award winning author Jonathan R Dull documents the remarkable transformation of the U S Navy between 1861 and 1865 thanks largely to brilliant naval officers like David Farragut David D Porter and Andrew Foote visionary politicians like Abraham Lincoln and Gideon Welles and progressive industrialists like James Eads and John Ericsson But only by understanding the failings of the antebellum navy can the accomplishments of Lincoln s navy be fully appreciated Exploring such topics as delays in American naval development differences between the U S and European fleets and the effect that the country s colonial past had on its naval policies Dull offers a new perspective on both American naval history and the history of the

developing republic *The Western Pennsylvania Historical Magazine* Charles William Dahlinger, 1984 Captains of the Old Steam Navy James C Bradford, 2013-01-15 Now in paperback for the first time this collection of biographical essays delves into the careers of thirteen colorful naval leaders who guided the U S Navy through four turbulent decades of transition Interpretive in approach each essay emphasizes facets of the officer s personality or aspects of his career that made lasting contributions to the navy **Understanding U.S. Military Conflicts through Primary Sources** James R. Arnold, Roberta Wiener, 2015-11-12 An easily accessible resource that showcases the links between using documented primary sources and gaining a more nuanced understanding of military history Primary source analysis is a valuable tool that teaches students how historians utilize documents and interpret evidence from the past This four volume reference traces key decisions in U S military history from the Revolutionary War through the 21st century conflicts in Afghanistan and Iraq by examining documents relating to military strategy and national policy judgments by U S military and political leaders A comprehensive introductory essay provides readers with the context necessary to understand the relationship between diplomatic documents military correspondence and other documentation related to events that shaped warfare diplomacy and military strategy Once the stage is set the work covers 14 conflicts that are significant to U S history Treatment of each of the conflicts begins with a historical overview followed by a chronology and approximately 30 primary source documents presented in chronological order Each document is accompanied by a description and annotations and by an analysis that highlights its importance to the event or topic under discussion Designed for secondary school and college students the work will be exceptionally valuable to teachers who will appreciate the ready made lessons that fit directly into core curriculum standards *This People's Navy* Kenneth J. Hagan, 1992-08-21 A sweeping account of the American naval experience from the wooden Continental Navy to contemporary projections for the service s high tech mission in the next century
