## **Saints of the Roman Calendar: Including Recent Feasts Proper to the English-Speaking World** Enzo

Lodi,2017-08-31 The Catholic Church has always placed before the eyes of the faithful the example of holiness set by the saints In the first Preface of the Mass for Holy Men and Women we read In their lives on earth you give us an example In our communion with them you give us their friendship In their prayer for the Church you give us strength and protection Moreover as the Second Vatican Council put it every act of love offered by us to those who are in heaven tends to and terminates in Christ the crown of all the saints and through him in God who is wonderful in his saints and is glorified in them This book then should be a welcome addition to the ever increasing number of volumes that treat of the lives of the saints With the addition of feast days proper to the United States it is offered to the English speaking public in the hope that it will foster greater devotion to the saintly men and women who are not only historical figures worthy of our veneration but models worthy of our imitation      **Favors of Saint Josemaría Escrivá** Flavio Capucci,2003      **Introduction to Catholicism for**

**Why God Hides** Fr. John Portavella, 2018-05-25 Why does God hide day in and day out from those of us who yearn to hear His voice When we do good there s no heavenly applause When we do evil no divine rebuke And when great horrors visit us He rarely intervenes In good times and bad there s just silence the awful silence of God Now comes Why God Hides this magnum opus of Fr John Portavella written after many decades of listening to God s silence in his own life and in that of thousands of his parishioners Those years of listening reading thinking and praying have made ever more clear to him and with the help of this book will make clear to you that in fact God is not silent nor is He hidden if only you know how to listen and learn where to look Time and again in the events of salvation history and in the trials and joys of our daily lives Fr Portavella here unveils the Face of God and lets us hear His voice speaking in every instance words of sweet love Why God Hides is a remarkable once in a lifetime book that scatters the darkness of our minds giving us myriad glimpses of our supposedly hidden God bringing with each of those glimpses the consolation and joys we have yearned for so long

A Man Who Knew How to Forgive Francesc Faus, 2017-03-31 Forgiving is no easy task in fact it may be the most difficult endeavor one can undertake St Josemaria Escriva the founder of Opus Dei said I didn't need to learn how to forgive because God has taught me how to love Still even this saint struggled with the trying task of forgiving This collection of anecdotes from his life explores his experiences in offering and accepting forgiveness Life as a priest in the midst of the violent Spanish Civil War offered St Josemaria countless opportunities to practice forgiveness Owing to an attitude of prayer mortification and total confidence in God he was as immediate and resolute in forgiving in dramatic situations as he was in the ordinary circumstances of everyday life He knew when a situation necessitated silence and was always prompt in offering an apology when he found himself in the wrong Readers will find themselves equally amazed and humbled by the gentle charity that contributed to Josemaria's sainthood In addition to anecdotes from St Josemaria Escriva's life this powerful introduction to forgiveness includes a biography of St Josemaria an explanation of the message of Opus Dei excerpts from Pope John Paul II at the canonization of St Josemaria and Cardinal Joseph Ratzinger later Pope Benedict XVI at the beatification of Josemaria Escriva as well as resources for further information in print and online The Forge Josemaria Escriva, 2017-03-31 The Forge is the third collection of St Josemaria's refreshingly brief but profoundly weighty reflections and meditations on how to live the Christian life to its absolute fullest Like The Way and Furrow it gives you practical and pointed material for meditation that will help you take your spiritual responsibilities more seriously and move ever closer to the all-consuming forge of God's love St Josemaria wrote these 1 055 aphorisms observations and exhortations in order to enkindle within you a desire for holiness and apostolate *The End and the Beginning* George Weigel, 2011-11-01 As March gave way to April in the spring of 2005 and the world kept vigil outside the apostolic palace in Rome the pontificate of Pope John Paul II then drawing to a poignant end was already being described as one of the most consequential in two millennia of Christian history With these words world renowned author and NBC Vatican analyst George Weigel begins his long awaited sequel to the international bestseller Witness to Hope The Biography of Pope John Paul II More than ten years in the making The End and the Beginning Pope John Paul II The Victory of Freedom the Last Years the Legacy tells the dramatic story of the Pope's battle with communism in light of new and recently disclosed information and brings to a close Weigel's landmark portrait of a man who not only left an indelible mark on the Catholic Church but also changed the course of world history When he was elected

pope in the fall of 1978 few people had ever heard of the charismatic Karol Wojtya But in a very short time he would ignite a revolution of conscience in his native Poland that would ultimately lead to the collapse of European communism and death of the Soviet Union What even fewer people knew was that the KGB the Polish Secret Police and the East German Stasi had been waging a dangerous decades long war against Wojtya and the Vatican itself Weigel with unprecedented access to many Soviet era documents chronicles John Paul s struggle against the dark forces of communism Moreover Weigel recounts the tumultuous last years of John Paul s life as he dealt with a crippling illness as well as the new world disorder and revelations about corruption within the Catholic Church Weigel s thought provoking biography of John Paul II concludes with a probing and passionate assessment of a man who lived his life as a witness to hope in service to the Christian ideals he embraced
