your heart Join Jack on his journey and step into the you that you were always meant to be CEO Society Peter Bloom, Carl Rhodes, 2018-04-15 Chief Executive Officers CEOs have become the cultural icons of the 21st century Figures like Steve Jobs and Mark Zuckerberg are held up as role models who epitomise the modern pursuit of innovation wealth and success We now live Bloom and Rhodes argue in a CEO society a society where corporate leadership has become the model for transforming not just business but all spheres of life where everyone from politicians to jobseekers to even those seeking love are expected to imitate the qualities of the lionized corporate executive But why in the wake of the failings exposed by the 2008 financial crisis does the corporate ideal continue to exert such a grip on popular attitudes In this insightful new book Bloom and Rhodes examine the rise of the CEO society and how it has started to transform governments culture and the economy This influence they argue holds troubling implications for the future of democracy as evidenced by the disturbing political rise of Donald Trump in the US and for our society as a whole An Attitude of Gratitude Keith D. Harrell, 2004-08-01 In this heartfelt memoir motivational speaker and life coach Keith D Harrell writes passionately about the lessons he s learned from his parents grandmother teachers coaches mentors and friends as he overcame stuttering to become one of the nation s top ranked professional speakers Tall skinny and shy Harrell painfully learned on his first day of school that he couldn t talk like the other students Embarrassed by the kids teasing and feeling dejected he ran home during recess where he was met by an understanding mom who wouldn t allow him to remain discouraged The lesson Harrell gained from this experience and imparts to his readers is God specializes in originals He doesn t make junk Each chapter in this heartfelt book begins with a quote from the Bible and concludes with a touching and insightful life lesson Harrell s story encompasses his years of speech therapy the awkwardness of being a foot or two taller than his elementary school teachers his father s tough love the anguish of his parents divorce gaining confidence through playing basketball and eventually being scouted by the NBA and then watching his dream evaporate He goes on to recount the trials he underwent in the corporate world as he sought out his true passion and how he built a fledgling business into a million dollar enterprise eventually receiving enormous acclaim as a professional speaker Harrell s faith in God and unflagging attitude propelled him to success as he enthusiastically tackled each obstacle that beset him along his path In An Attitude of Gratitude he presents this story as an inspiring source of encouragement for anyone who has ever experienced setbacks and wants to learn how to become better equipped to handle each challenge as it arises Empowered YOUth Michael Eisen, Jeffrey Eisen, 2012-10-01 Empowered YOUth A Father and Son s Journey to Conscious Living is the heartfelt story of Michael and Jeffrey Eisen who rose up from a tumultuous emotional past to come together in a loving respectful relationship as father and son coach and student Through this engaging narrative they help deconstruct the paradigms and beliefs that contribute to anxiety stress and unrest within the family unit They provide a refreshing perspective on how parents and kids can work together to empower and support one another by opening the channels of communication dissolving fear and surrendering the need for control With a perfect

balance of moving stories applied learning and practical wisdom Empowered YOUth offers guidance and insights for parents young people and educators While adults will instantly relate to Jeffrey s struggle to connect with his children provide for his family and listen to his own heart s desire young people will love Michael s honest and emotional examination of an angst filled childhood laden with stress sadness isolation and self inflicted pressure Through this story of a relationship broken apart and put back together Jeffrey and Michael provide inspiration for those looking to empower the next generation in a more loving open and intuitive way Empowered YOUth will leave readers feeling hopeful passionate and optimistic The Leader Who Had No Title Robin Sharma,2010-03-23 From the author of *The Monk Who Sold His Ferrari* comes an inspiring parable about the skills needed to excel in career and life *Oh, Oh Canada! who Stands on Guard* Ronald Coleman,2003 The Author examines the current state of the Canadian Forces after what he describes as four decades of malignant neglect and concludes that it is not capable of executing the roles and tasks assigned under the government s policy as outlined in the Defence White Paper 1994 Furthermore he examines the Canadian foreign policy from which defence policy is derived and concludes that it does not address the current and future threats to Canada and Canadians The threats to Canada today and in the future are explored in detail and the means to counter them are examined The author also explores the relationship the Canadian military has to the UN NATO and our closest ally the US He finds that all of them need serious revision However to do so a complete and detailed analysis of our foreign policy is necessary in the new world of disorder following the tragic events of 9 11 Internal and external threats are revealed and discussed as well as how to deter them Coleman explains why the current series of town hall meetings across the country is wholly inadequate and calls for a major foreign policy review This is necessary in order to respond correctly and adequately to the US request for participation in the Missile Defense System Also in his view our traditional interface with the UN and NATO particularly where peacekeeping is involved needs revision He calls for necessary changes in the Department of National Defence Headquarters NDHQ structure and the military organization across the country He explains why NDHQ needs to be disintegrated and replaced with a dual reporting system to the minister Further he presents rational arguments for the real unification of the three military forces into a marine like structure in order to respond appropriately and adequately to international terrorism and international violence that is on the rise He goes further and outlines a new organizational structure that reduces overhead executives commands and management levels in order to truly make the military and headquarters more efficient effective and economical He is clear that only by taking these measures will we regain the respect of our allies and our enemies as well as increase our influence in the international forums where it has been slowly eroding The transfer of search and rescue and VIP operations to private industry will free up military billets for military functions and generate jobs and profits for private industry in these roles These tasks in his view are essentially non military tasks Military search and rescue and VIP flights can be handled by the Marines Also he believes that peacekeeping should be transferred to DFAIT where the responsibility

lies with more emphasis on early intervention so that technical experts humanitarian efforts medical assistance law order and justice can be maintained rather than re constructed after civil war or worse has destroyed the infrastructure and institutions Peacemaking however should remain the responsibility of DND where the new structure the new equipment and the new training will improve our current delinquent approach to the problem The Reserve will be tasked with the role of the defence of Canada which will give it purpose finances training equipment and a structure to effect it which currently does not exist Coleman makes a compelling case for the review of foreign defence policy and the restructuring of the Canadian military He exposes the problems and proposes solutions He takes no prisoners In his review it becomes clear that Canada and Canadians no longer stand on guard
