Saint Therese Of Lisiux:

Lessons from Saint Thérèse John Paul Thomas, 2017-10-30 I will spend my Heaven doing good on Earth For more than a century Saint Thérèse of Lisieux also known as The Little Flower has captivated countless minds and hearts Her simple and pure heart burned with a deep love for our Lord and that love overflowed into the lives of many She daily inspired those who knew her and she continues to inspire those who read her story Her autobiography captures the beauty and profundity of her love in the most tender and affectionate way Her story reveals how devoted she was to Jesus and how she longed to be with Him forever in Heaven even from the earliest moments of her childhood This book offers 99 short lessons reflections and prayers from the life of Saint Thérèse of the Child Jesus and the Holy Face The lessons are based upon Saint Thérèse's own words as she shared her faith and her heart in the pages of the three manuscripts of her autobiography Story of a Soul Each subsequent reflection attempts to capture one of her countless virtues so as to savor the fragrance of this precious little flower of God and to apply it to the reader's daily life The prayer to conclude each lesson is not written only to be read it is written to be prayed You may find it helpful to pray that prayer slowly and meditatively at the end of each lesson and return to that prayer at the end of each day especially to the prayers that are most pertinent to your life The reader might wish to use this book as a daily reflection book reading one lesson each day Doing so will allow you to ponder one lesson from her saintly life at a time so as to absorb the sweetness of her love and the depth of her life However you might find it just as beneficial to read several lessons at a time This book is not intended to be a onetime read Rather the lessons we learn from Saint Thérèse's life are worth absorbing many times over The reflection and prayer after each lesson make this book a helpful source of daily self examination and prayer throughout life You who are parents might also find the lessons of St Thérèse of benefit in the formation of your children Telling Little Thérèse's stories will inspire and challenge your children as they grow and mature in their own lives of faith

Saint Thérèse of Lisieux Guy Gaucher, O.C.D., 2019-11-06 Written by a foremost expert on the life of the beloved St Thérèse of Lisieux this work is widely considered as the most definitive and popular presentation of her life St Thérèse is the most popular modern saint of our times Who was this young French Carmelite who died in 1897 of tuberculosis at age twenty four At a time when extreme physical penance was widespread in many religious orders Thérèse would have none of it Her passionate love of Jesus led her to concentrate entirely on him rather than on personal austerities Misunderstood in her own community but now universally loved she left behind her autobiographical best selling book The Story of a Soul which captured with rapture her passionate love of Christ and the spirituality of the little way that all of us can live out the ideal of doing everything with love for God and become saints Based on Thérèse's famous notebooks letters poems plays and prayers Story of a Life reveals her true face the Thérèse who detested old wives' devotions the Thérèse who longed passionately to be priest martyr and apostle and could still fall asleep over her prayers in chapel The truth of her life is that God can take a psychologically fragile adolescent and turn her into the greatest saint of the

The Plays of Saint Thérèse of Lisieux Saint Thérèse of Lisieux, 2008 Over a period of about three years toward the end of her life St Therese of Lisieux 1873-1897 was asked by her Carmelite superiors to compose eight theatrical pieces for special occasions in her convent She did not consider them mere trivial amusements On the contrary Therese invested herself wholeheartedly in the writing and performance of these little dramas which provided a welcome opportunity to articulate her growing spiritual insights and share them with her religious community Here we find echoes of her great themes some where developed at greater length than anywhere else in her writings Mary of Nazareth and Joan of Arc humility and the little way confidence and love and so much more In the present volume for the first time all eight of her plays or pious recreations as they are sometimes called in the French are published together in their entirety for English speaking readers They open a new window onto the message of the church's youngest Doctor Also included is a masterful general introduction by the noted Theresian expert Bishop Guy Gaucher O.C.D. as well as individual introductions to each play explaining it in context and significance
