Mayes, 2016 How can we describe to others what is happening to us on our spiritual journey How can we depict the spiritual road that we are taking experiences of prayer transitions that we travel through impediments that we face and externalize into words the interior experiences In this spiritual lexicon Andrew Mayes explores creative and inspirational metaphors to equip anyone wanting to communicate effectively about their faith or life of prayer *Learning the Language of the Soul* is a handbook that will prove indispensable to spiritual directors evangelists and all sharing in the witness of the church today It will loosen our tongues as we discover images from both the classic Christian tradition and contemporary culture that help us express and develop a spiritual literacy by which we share with others the joys and struggles of the inner life     **Enkindling Love** Gillian T. W. Ahlgren, 2016-06-03 *Enkindling Love* chronicles the journey toward a living partnership with God as articulated by two of Christianity's great mystical teachers Excerpts from the seven moradas dwelling places of Teresa of Avila's Interior Castle are held together with selections from John of the Cross's *Dark Night of the Soul* *Spiritual Canticle* and *The Living Flame of Love* in order to show stages of growth and transformation as this partnership moves from its nascent potential through deepening friendship and intimacy to the full fruition of the mystical life Moving through the process via textual passages and commentary readers are invited to consider God's desire for partnership with us and how the love of God actively invites us into deeper relationship not only with God but also with self and other Because Teresa and John experienced God's love as a transforming power they teach that it is a participatory reality that shapes and remakes us even as it invites us to collaborate with God in the remaking of our world     **The Collected Works of Saint John of the Cross** St. John of the Cross, 1991 This revised edition of *The Collected Works of St John of the Cross* was produced to mark the fourth centenary of the death of St John of the Cross 1542-1591 The result is an English translation of his writings that preserves the authentic meaning of the great mystic's writings presents them as clearly as possible and at the same time gives the reader the doctrinal and historical information that will lead to a deeper understanding and appreciation of the teachings of the Mystical Doctor Included in *The Collected Works* are St John's poetry *The Ascent of Mount Carmel* *The Dark Night* *The Spiritual Canticle* and *The Living Flame of Love* as well as his extant letters and other counsels More Information In addition to the respective page listings in the contents this new edition features gray page tabs that separate the individual works enabling the reader to more easily locate a desired section of the book Complementing St John's writings are a comprehensive General Introduction for the entire work as well as brief enlightening introductions for each specific work explaining theme and structure These are enhanced by new and expanded footnotes a glossary of terms and general and scriptural indices About the Translators
