Keener, 2010-03-01 Keener's commentary explores the Jewish and Greco Roman settings of John more deeply than previous works paying special attention to social historical and rhetorical features of the Gospel It cites about 4 000 different secondary sources and uses over 20 000 references from ancient literature

The Claims of Christ Barry L. Davis, 2001-07-27 Who is Jesus Christ What did He stand for What was His purpose in coming to earth How does He want us to relate to Him today All these questions were answered over 2 000 years ago by the Christ Himself Jesus very clearly explained exactly who He was and why He came in the Gospel accounts This volume explores Jesus claims and what they mean to us today It invites us to sit in on Jesus teachings by both examining the cultural setting in which they were made and how they still speak to our contemporary culture with amazing relevance

John Beauford Harding Bryant, Mark Krause, 1998 *The Myth of Rebellious Angels* Stuckenbruck, Loren T., 2017-02-17 The mythical story of fallen angels preserved in 1 Enoch and related literature was profoundly influential during the Second Temple period In this volume renowned scholar Loren Stuckenbruck explores aspects of that influence and demonstrates how the myth was reused and adapted to address new religious and cultural contexts Stuckenbruck considers a variety of themes including demonology giants exorcism petitionary prayer the birth and activity of Jesus the Holy Spirit the conversion of Gentiles apocalyptic and the understanding of time and more He also offers a theological framework for the myth of fallen angels through which to reconsider several New Testament texts the Synoptic Gospels the Gospel of John Acts Paul's letters and the book of Revelation *The Influence of Ezekiel in the Fourth Gospel* William G. Fowler, Michael

Strickland, 2018-09-11 This monograph presents important research regarding the Fourth Gospel's use of Scripture specifically the book of Ezekiel It provides the first detailed comparison of the theological vocabularies of the two works identifying intertextual links and themes This is a major update and expansion of the doctoral dissertation of William Fowler from 1995 *The Influence of Ezekiel in the Fourth Gospel* PhD diss Golden Gate Baptist Theological Seminary *The Gospel and Letters of John, Volume 1* Urban C. von Wahlde, 2010-11-22 Urban von Wahlde's radically new three volume commentary on the Gospel and Letters of John is the most detailed study of the composition of the Johannine literature ever put forth by an American scholar Nearly all of the problems confronted by those who study John have to do with the literary strata of the Gospel of John and their relation to the composition of the Letters of John With an archaeologist's precision and engaging a

whole range of scholarly contributions in this area von Wahlde digs down to the foundations and exposes three distinct literary strata in the development of the Johannine tradition Volume 1 gives detailed evidence identifying and listing the criteria for each stratum Volumes 2 and 3 apply those criteria to the Gospel and Letters of John respectively Discovering John Ruth B. Edwards, 2015 In this student friendly introduction to the Gospel of John Ruth B Edwards illuminates the biblical text s content interpretation and historical reception What is the purpose of John s Gospel How does John relate to the religious thought of its day What is distinctive about its message How does it speak to our world today Is it anti Semitic Edwards expertly guides readers through such questions helping those interested in this provocative sometimes enigmatic Gospel to discover the answers for themselves Back cover *Preaching John* Robert Kysar, With this helpful guide preachers can find new and powerful resources for preaching in Johannine language and thought as well as its use of narrative and discourse It combines the practical with proposals for understanding the Gospel and 1 John **The John You Never Knew** Kenneth H. Maahs, 2006 Original Scholarly Monograph Equally Yoked Matthew R. Akers, 2016-03-03 During the past fifty years Western culture has experienced a significant shift in its overall stance regarding multiethnic marriage As a result more North Americans than ever marry spouses whose ethnicity or culture differs from theirs This trend also is observable in Christian circles Unfortunately few resources exist to help multiethnic couples maneuver through the potential minefield of cultural collision The purpose of this volume is to provide such a resource Equally Yoked examines the subject of multiethnic marriage from a biblical perspective before considering a history of the practice in North America over the last four centuries Additionally this book surveys the challenges that multiethnic Christian couples frequently encounter and offers premarital counseling propositions that will prove valuable to both counselors and couples who originate from diverse backgrounds **The Lazarus Story within the Johannine Tradition** Wendy E. S. North, 2001-05-01 This historical critical study of the Gospel of John and the First Epistle of John challenges the commonly held view that the first Johannine epistle is related to the Gospel Sproston argues that the two writings are indirectly related through a common Johannine tradition A comparison of the two therefore allows traditional material in the evangelist s work to be isolated enhancing our understanding of the creative processes involved in its composition The account of the raising of Lazarus is rigorously analysed as a test case for this kind of analysis **Saint John** John Marsh, 1978 In this commentary the author interprets the manifold problems of the Fourth Gospel to the modern reader In examining John s conception of history he takes a new look at both the similarities and the notable differences between this record and that of the synoptic gospels He locates John s central purpose to enshrine for a wide circle of readers the living Word of God In Dr Marsh s view John stands on its own as one of the great books of the World stamped with the individuality of its author and beyond that with wonder and glory of its subject as no other Gospel is He argues that the so called corrections in John are really historiographical devices aimed at making the central testimony of the synoptics unambiguously clear To him it is still the Gospel of John that speaks most

tellingly to the simple believer and also most effectively plumbs the depths of Christian belief and commitment for the highly sophisticated

Jesus' Walking on the Sea Patrick J. Madden,2014-11-21 No detailed description available for Jesus Walking on the Sea

The Significance of Slavery Motif in the Gospels Daniel R. Lockwood,2018-01-31 In the New Testament figures drawn from common experience often communicate deep theological truth depicting the vital relationship of the believer to Jesus Christ However there is one figure used throughout Scripture to describe the relationship of peoples to their Lord which for the most part is either minimized or ignored the figure of master and slave From the Introduction

John's Apologetic Christology James F. McGrath,2001-09-06 The Gospel according to John presents Jesus in a unique way as compared with other New Testament writings Scholars have long puzzled and pondered over why this should be In this book James McGrath offers a convincing explanation of how and why the author of the Fourth Gospel arrived at a christological portrait of Jesus that is so different from that of other New Testament authors and yet at the same time clearly has its roots in earlier tradition McGrath suggests that as the author of this Gospel sought to defend his beliefs about Jesus against the objections brought by opponents he developed and drew out further implications from the beliefs he inherited The book studies this process using insights from the field of sociology which helps to bring methodological clarity to the important issue of the development of Johannine Christology

Roman Imperial Ideology and the Gospel of John Lance Byron Richey,2023-09-29 This engaging study reflects the growing interest in the relationship of John s Gospel the Roman imperial context in which it was composed It begins and ends with quotations from modern sources that show why the question might be of more than historical interest The first quotation is from the Barmen Declaration of 1934 in which Christian leaders who resisted the advances of Nazism pointed to the lordship of Christ over the claims of the state p xi The final quotation is from Pope Pius XI who in 1925 affirmed Christ s lordship in the wake of cultural currents that removed modern nation states from the claims of the higher authority of God p 185 The problems raised by conflicts between the claims of human government and those of Christian faith provide an important reason to consider what these meant for early Christians including those for whom John s Gospel was written Craig R Koester Luther Seminary Saint Paul MN 55108

The God Who Gives Kelly M. Kapic, 2018-06-12 Many Christians wonder what the Christian life is all about. They hear about grace but struggle to rightly understand it; much less live it. They are taught about God but their vision of him does not always reflect the full biblical portrait of the Father, Son, and Holy Spirit. When this happens, Christians struggle to know the ways of God and how to joyfully participate in his work. *The God Who Gives* provides a compelling vision of Christian faith and life, helping readers discover the uniqueness of the gospel that God's kingdom comes not by taking but by giving. God gives Himself. We are invited into the fullness of life that can only come through the gift of God's divine generosity. Taking readers through the grand biblical narrative of creation, fall, redemption, and kingdom, author Kelly M. Kapic helps us see our story in and through the story of Scripture. He shows that everything belongs to God, and yet because of our turning and taking from him, we experience a kind of suffocating bondage to sin. So how does God reclaim us? God gives again. The God who gave in creation restores by recreating us through his Son and by his Spirit. The kingdom of God is an overflowing measure of divine generosity that we are invited to participate in. *The God Who Gives* calls readers to discover that the whole Christian story is founded upon the Triune God's self-giving and our belonging to God. Fully embracing this truth changes how we view God, ourselves, and the world. Living in God's gifts, we are freed to give ourselves and truly experience life.

The Gospel of John Craig S. Keener, 2003 Keener's commentary explores the Jewish and Greco-Roman settings of John more deeply than previous works, paying special attention to social, historical, and rhetorical features of the Gospel.
