**Gospels and Acts** Donald Jackson, 2005      **The Art of the Saint John's Bible** Susan Sink, 2013 From the time that pages of The Saint John's Bible began touring in major exhibitions nearly a decade ago people have been moved captivated and inspired by this stunning work of modern sacred art But they often have questions about the illuminations that are scattered throughout the Bible especially as they first become familiar with it Why was a certain Scripture passage chosen for illumination rather than another What materials and source imagery are behind the illuminations The Art of The Saint John's Bible provides answers to these important questions and many others Initially published in a series of three volumes each book has now been revised by the author and included together in this helpful single volume Since The Saint John's Bible is now complete Susan Sink makes connections between recurring images and motifs throughout the work and reflects on the images with a view to the whole Her book promises to intensify and expand the experience of all who come in contact with The Saint John's Bible      **The Saint John's Bible: Gospels and Acts**, 2005 A full color reproduction of the handwritten and illuminated work The Saint John's Bible in seven volumes Provided by publisher      *The Saint John's Bible*, 2012

**Word and Image** Michael Patella, 2013. The story of the creation of *The Saint John's Bible*, the first commissioned handwritten Bible in five hundred years and the first Bible of this magnitude written in English using a contemporary translation, has been told elsewhere. In *Word and Image*, Fr. Michael Patella focuses not on how it was made but on how now that it is finished, it can be read, viewed, and interpreted. Patella considers the centuries-long tradition of illuminated Bibles and also the fascinating ways this Bible reflects third millennium concerns. He seeks to rekindle interest in sacred art by allowing *The Saint John's Bible* to teach its readers and viewers how to work with text and image. As an accomplished Scripture scholar, a monk of the abbey that commissioned the Bible, and the chair of the Committee on Illumination and Text that provided the vision to the artists who created it, Patella may be the only one who could write this book with such insight, expertise, and love.

**Soaring With St. John** Eugene E. Lemcio, 2013-10-01. Not a reference tool, this unique work is a teaching/learning guide to understanding the Fourth Gospel. The focus is on showing how rather than on telling. Thirty-five Flight Paths, followed by leading questions and statements, help both faculty and students to see as well as read how the Evangelist plotted his itinerary, adopting, adapting, and arranging the texts, both biblical and extra-biblical, that constituted his horizon. Both visually and verbally, Lemcio demonstrates how, with the benefit of St. John's eagle eye, one might survey and spy the territory of the text. With this comes the knowledge of the only true God and Jesus whom he had sent, which is eternal life. 173

**John and Thomas--Gospels in Conflict?** Christopher W. Skinner, 2009-06-01. The hypothesis that the Fourth Gospel is a theological response to the Gospel of Thomas is a recent development in the study of the New Testament and early Christianity. Assuming an early date

for the Gospel of Thomas the proponents of this hypothesis argue that the supposed polemical presentation of Thomas in the Fourth Gospel is evidence of a conflict between the early communities associated respectively with John and Thomas. However, a detailed narrative study reveals that the Fourth Gospel portrays a host of characters, disciples and non-disciples, in an equally unflattering light where an understanding of Jesus's origins, message and mission are concerned. The present study attempts to demonstrate that the Fourth Gospel's presentation of Thomas is part and parcel of its treatment of uncomprehending characters. If this thesis is correct, it poses a significant challenge to the assumption that the Fourth Gospel contains a polemic against Thomas or that it was written in response to the Gospel of Thomas or the community associated with Thomas.

**The Conceptual Worlds of the Fourth Gospel** Charles B. Puskas, C. Michael Robbins, 2021-01-08 Over and under, and through John's story of Jesus are unforgettable ideas and concepts profoundly simple and simply profound for the author's own audience and beyond. These ideas did not originate in a vacuum. They have recurred and been repeated before and after the writing of the Fourth Gospel. For this reason, we will examine the meaning of its words and themes in the context of its Jewish Greco-Roman milieu. Much of our intertextual understanding will be derived from alleged parallels that involve comparisons of similar vocabulary and phrases as well as parallel concepts and images from the Old Testament, the Dead Sea Scrolls, Philo and other relevant writings. Such parallels will help to determine the meaning of a word or expression, the translation of a particular language, determining any direct influences upon the Fourth Gospel, parallel traditions or the influence of its ideas as a creative and inspiring work of later antiquity.

*Purity in the Gospel of John* Wil Rogan, 2023-06-15 Wil Rogan argues that contrary to twentieth century interpretation the Fourth Gospel did not replace purity with faith in Jesus Instead as with other early Jewish writings its discourse about purity functions as a way to make sense of life before God in the world He suggests that John's Gospel employs biblical and early Jewish traditions of purity associated with divine revelation and Israel's restoration to narrate how God's people are prepared for the coming of Jesus and enabled by him to have life with God characterized by love After evaluating different theories of purity for the interpretation of the Fourth Gospel Rogan explores John the Baptist as an agent of ritual purification Jesus as the agent of moral purification and the disciples of Jesus as ones who are or are not made morally pure by Jesus While purity is not one of the Fourth Gospel's primary focuses Rogan stresses that the concept figures into some of its most significant claims about Christology the doctrine of salvation and ethics Through purity the Fourth Gospel guards continuity with the past while placing surprising conditions on participation in Israel's future
