literary hero as if they were a real person but to recognize how we are always imagining real people as if they were literary characters This is a provocation with far reaching consequences for how we understand ourselves each other and our situatedness in space and time In Bakhtin s *Adventure An Essay on Life without Meaning* Benjamin Paloff argues that the major aesthetic ethical and sociological threads of Bakhtin s thought intersect in his concept of adventure Reading across a wide variety of media from classic literature to contemporary film Paloff demonstrates how for Bakhtin and his interlocutors the test of human freedom is whether narrative means nothing beyond its own adventure Reframed in this light Bakhtin s most influential ideas eventness chronotope heteroglossia polyphony carnival form a cohesive model for how to maintain ethical relations in a world where we can never really know each other the way we know ourselves *OneTrackMinds* Kristian Brodie, Adam Shakinovsky, 2022-06-23 Put your headphones on close your eyes Embrace the possibility of the life changing power of music And perhaps one of these songs will change your life too Music can inspire our greatest creations salve our deepest wounds make us fall in or out of love It can also be a window into another s soul Based on the popular live storytelling series *OneTrackMinds* is a collection of twenty five compelling answers to the question What was the song that changed your life Featuring pieces from a stellar cast of contributors including Peter Tatchell Inua Ellams Cash Carraway Rhik Samadder Ingrid Oliver and Joe Dunthorne alongside some of the UK s most exciting new voices the book compiles many of the standout stories from the live show so far Just as rich and varied are the songs themselves by artists ranging from Nina Simone and Joni Mitchell to Aphex Twin and the Replacements via Tupac Prince and the Spice Girls The result is an entertaining enlightening musical guide to the best of what makes us human
