problem and the problem in turn contributed to the initiation of the Great Western Schism **Saint Louis Magazine** ,1881

The Confessions of Saint Augustine Saint Augustine,1997-04 In The Confessions Saint Augustine addressed himself eloquently and passionately to the enduring spiritual questions that have stirred the minds and hearts of thoughtful men since time began Written A D 397 The Confessions are a history of the young Augustine s fierce struggle to overcome his profligate ways and achieve a life of spiritual grace The first ten books of the work relate the story of Augustine s childhood in Numidia his licentious and riotous youth and early manhood in Carthage Rome and Milan his continuous struggle with evil his attempts to find an anchor for his faith among the Manicheans and the Neoplatonists the untiring efforts of his mother Saint Monnica to save him from self destruction and his ultimate conversion to the Christian faith at the age of thirty two The last three books of The Confessions unrelated to the preceding account of Saint Augustine s early life are an allegorical explanation of the Mosaic account of Creation Throughout the work the narrative addressed to God is intersperse with prayers meditations and instructions many of which today are to be found in the liturgies of all sects of the Christian Church The Confessions constitute perhaps the most moving diary ever recorded of a soul s journey to grace Appearing midway in Saint Augustine s prodigious body of theological writings they stand among the most persuasive works of the sinner turned priest who was to exercise a greater influence on Christian thought than any of the other Church fathers What Have the Saints to Teach Us?
