Saint Veneration Among The Jews Of Morocco:

Saint Veneration Among the Jews in Morocco Issachar Ben-Ami, 1998 Among Moroccan Jews saint worship is an important cultural characteristic practiced throughout the population Saint Veneration among the Jews in Morocco the only book in English on this topic contains essential information about Moroccan Jewry not available anywhere else The Hebrew edition published by Magnes Press in 1984 has become a standard classic in the study of the history culture and religious practices of Moroccan Jewry In this new English language edition based on ten years of fieldwork Issachar Ben Ami provides the basic historical and ethnographic information about saint veneration He illuminates the intricate network that connects the saints and their faithful followers while revealing the ideological fundamentals that sustain the interrelationship and ensure ritual continuity Using material selected from more than 1 200 testimonies collected during the course of his research Ben Ami describes historical and legendary types of saints customs and beliefs related to the saints or their sanctuaries and the practices and ceremonies that take place during or outside the hillulah the festival that celebrates the anniversary of the death of a saint Two chapters are dedicated to a comparison with the cult of saints among the Muslims in Morocco as well as to the relationship between Jews and Muslims in Morocco in what concerning saint veneration In addition Ben Ami has included an exhaustive list of 656 saints 25 of whom are women as well as documentation of the burial sites and legendary stories of the saints lives as they have been told by their followers and worshippers in Israel Also included are popular creative works such as legends stories dreams and songs extolling the greatness and miraculous deeds of the saints The picture that emerges from this study is that of a strong community of believing Jews who lived in the expectancy of the coming of the Messiah and welcomed miracles as part of their routine life With the immigration of the Jews of Morocco to other countries this fascinating world has disappeared although it has found new ways of expression in Israel *The Martyrdom of a Moroccan Jewish Saint* Sharon Vance, 2011-05-10 The martyrdom of a young Jewish girl from Tangier in 1834 sparked a literary response that continues today This book translates and analyzes printed and manuscript versions of her story in Hebrew Judeo Arabic Judeo Spanish Spanish and French written in the first century after her death *Folktales of the Jews, V. 3 (Tales from Arab Lands)* Dan Ben Amos, 2011-05-01 Thanks to these generous donors for making the publication of the books in this series possible Lloyd E Cotsen The Maurice Amado Foundation National Endowment for the Humanities and the National Foundation for Jewish Culture Tales from Arab Lands presents tales from North Africa Yemen Lebanon Syria and Iraq in the latest volume of the most important collection of Jewish folktales ever published This is the third book in the multi volume series in the tradition of Louis Ginzberg s timeless classic *Legends of the Jews* The tales here and the others in this series have been selected from the Israel Folktale Archives IFA named in Honor of Dov Noy at The University of Haifa a treasure house of Jewish lore that has remained largely unavailable to the entire world until now Since the creation of the State of Israel the IFA has collected more than 20 000 tales from newly arrived immigrants long lost

stories shared by their families from around the world The tales come from the major ethno linguistic communities of the Jewish world and are representative of a wide variety of subjects and motifs especially rich in Jewish content and context Each of the tales is accompanied by in depth commentary that explains the tale s cultural historical and literary background and its similarity to other tales in the IFA collection and extensive scholarly notes There is also an introduction that describes the culture and its folk narrative tradition a world map of the areas covered illustrations biographies of the collectors and narrators tale type and motif indexes a subject index and a comprehensive bibliography Until the establishment of the IFA we had had only limited access to the wide range of Jewish folk narratives Even in Israel the gathering place of the most wide ranging cross section of world Jewry these folktale have remained largely unknown Many of the communities no longer exist as cohesive societies in their representative lands the Holocaust migration and changes in living styles have made the continuation of these tales impossible This series is a monument to a rich but vanishing oral tradition This series is a monument to a rich but vanishing oral tradition

Art and Ceremony in Jewish Life Vivian B. Mann,2005-12-31 Since turning to the field of Jewish art over twenty years ago Vivian Mann has concentrated on investigating Jewish ceremonial art within the dual contexts of Jewish law and the history of decorative arts in general including the ceremonial art made for the Church and the Mosque The introduction to this volume considers classic rabbinic attitudes toward art and its relationship to spirituality The remaining

essays are divided into three groups the first concerns medieval ceremonial art the second articles on the Jewish art of Muslim lands beginning with the early Middle Ages and the third consists of essays on Judaica during the periods of the Renaissance and rococo

Holy Places in the Israeli-Palestinian Conflict Marshall J. Breger, Yitzhak Reiter, Leonard Hammer, 2009-12-16 This book addresses the major generators of conflict and toleration at shared holy places in Palestine and Israel Examining the religious political and legal issues the authors show how the holy sites have been a focus of both conflict and cooperation between different communities Bringing together the views of a diverse group of experts on the region Holy Places in the Israeli Palestinian Conflict provides a new and multifaceted approach to holy places giving an in depth analysis of relevant issues Themes covered include legal regulation of holy places nationalization and reproduction of holy space sharing and contesting holy places identity politics and popular legends of holy sites Chapters cover in detail how recognition and authorization of a new site come about the influence of religious belief versus political ideology on the designation of holy places the centrality of such areas to the surrounding political developments and how historical background and culture affect the perception of a holy site and relations between conflicting groups This new approach to the study of holy places and the Israeli Palestinian conflict has great significance for a variety of disciplines and will be of great interest in the fields of law politics religious studies anthropology and sociology

The Cult of Saints among Muslims and Jews in Medieval Syria Josef W. Meri, 2002-11-14 This accessible study is the first critical investigation of the cult of saints among Muslims and Jews in medieval Syria and the Near East Through case studies of saints and their devotees discussion of the architecture of monuments examination of devotional objects and analysis of ideas of holiness Meri depicts the practices of living religion and explores the common heritage of all three monotheistic faiths Critical readings of a wide range of contemporary sources travel writing geographical works pilgrimage guides legal writings historical sources hagiography and biography reveal a vibrant religious culture in which the veneration of saints and pilgrimage to tombs and shrines were fundamental

Muslim Travellers Dale F. Eickelman, James Piscatori, 2013-11-05 Pilgrimage travel for learning visits to shrines exile and labour migration shape the religious imagination and in turn are shaped by it Some travel such as pilgrimage explicitly intended for religious purposes has equally important economic and political consequences Other travel not primarily motivated by religious concerns and thus neglected by many scholars nonetheless profoundly influences religious symbols metaphors practices and senses of community These studies encompassing Muslim societies from Malaysia to West Africa also suggest how encounters with Muslim others have been as important in shaping community self definition as encounters with European others This volume brings together historians social scientists and jurists concerned with pilgrimage scholarly travel and migration in both medieval and contemporary Muslim societies and explores basic issues Can Muslim travel be regarded as a distinct form of social action What role does religious doctrine play in motivating travel and how do doctrinal interpretations differ across time and place What are the strengths and limitations of various approaches to

understanding the transnational and local significance of pilgrimage migration and other forms of travel An image of Muslim tradition and change in local communities in relation to travel emerges which competes with the myth of the universality of the Islamic community Sacred Space in Israel and Palestine Marshall J. Breger, Yitzhak Reiter, Leonard

Hammer, 2013-06-19 Religion and religious nationalism have long played a central role in many ethnic and national conflicts and the importance of religion to national identity means that territorial disputes can often focus on the contestation of holy places and sacred territory Looking at the case of Israel and Palestine this book highlights the nexus between religion and politics through the process of classifying holy places giving them meaning and interpreting their standing in religious and civil law within governmental policy and within international and local communities Written by a team of renowned scholars from within and outside the region this book follows on from Holy Places in the Israeli Palestinian Conflict Confrontation and Co existence to provide an insightful look into the politics of religion and space Examining Jerusalem's holy basin from a variety of perspectives and disciplines it provides unique insights into the way Jewish Christian and Muslim authorities scholars and jurists regard sacred space and the processes grass roots and official by which spaces become holy in the eyes of particular communities Filling an important gap in the literature on Middle East peacemaking the book will be of interest to scholars and students of the Middle East conflict conflict resolution political science urban studies and history of religion

The Jews of the Middle East and North Africa in Modern Times Reeva Spector Simon, Michael Menachem Laskier, Sara Reguer, 2003-04-30 Despite considerable research on the Jewish diaspora in the Middle East and North Africa since 1800 there has until now been no comprehensive synthesis that illuminates both the differences and commonalities in Jewish experience across a range of countries and cultures This lacuna in both Jewish and Middle Eastern studies is due partly to the fact that in general histories of the region Jews have been omitted from the standard narrative As part of the religious and ethnic mosaic that was traditional Islamic society Jews were but one among numerous minorities and so have lacked a systematic treatment Addressing this important oversight this volume documents the variety and diversity of Jewish life in the region over the last two hundred years It explains the changes that affected the communities under Islamic rule during its golden age and describes the processes of modernization that enabled the Jews to play a pivotal role in their respective countries in the nineteenth and twentieth centuries The first half of the book is thematic covering topics ranging from languages to economic life and from religion and music to the world of women The second half is a country by country survey that covers Turkey Syria Lebanon Israel Palestine Iraq Iran Afghanistan Yemen Egypt the Sudan Libya Tunisia Algeria and Morocco American Post-Judaism Shaul Magid, 2013-04-09 How do American Jews identify as both Jewish and American American Post Judaism argues that Zionism and the Holocaust two anchors of contemporary American Jewish identity will no longer be centers of identity formation for future generations of American Jews Shaul Magid articulates a new post ethnic American Jewishness He discusses pragmatism and spirituality monotheism and post monotheism Jesus Jewish law sainthood

and self realization and the meaning of the Holocaust for those who have never known survivors Magid presents Jewish Renewal as a movement that takes this radical cultural transition seriously in its strivings for a new era in Jewish thought and practice
