## **Saints Cigarettes:**

The Latter-Day Saints' *Millennial Star*, 1908      **Cigarettes, Inc.** Nan Enstad, 2018-12-10 Traditional narratives of capitalist change often rely on the myth of the willful entrepreneur from the global North who transforms the economy and delivers modernity for good or ill to the rest of the world With *Cigarettes Inc* Nan Enstad upends this story revealing the myriad cross cultural encounters that produced corporate life before World War II In this startling account of innovation and expansion Enstad uncovers a corporate network rooted in Jim Crow segregation that stretched between the United States and China and beyond *Cigarettes Inc* teems with a global cast from Egyptian American and Chinese entrepreneurs to a multiracial set of farmers merchants factory workers marketers and even baseball players jazz musicians and sex workers Through their stories *Cigarettes Inc* accounts for the cigarette's spectacular rise in popularity and in the process offers nothing less than a sweeping reinterpretation of corporate power itself      **Making Saints** Kenneth L. Woodward, 2016-04-26 From inside the Vatican the book that became a modern classic on sainthood in the Catholic Church Working from church documents Kenneth Woodward shows how saint makers decide who is worthy of the church's highest honor He describes the investigations into lives of candidates explains how claims for miracles are approved or rejected and reveals the role politics papal and secular plays in the ultimate decision From his examination of such controversial candidates as Archbishop Oscar Romero of El Salvador and Edith Stein a Jewish philosopher who became a nun and was gassed at Auschwitz to his insights into the changes Pope John Paul II has instituted Woodward opens the door on a 2 000 year old tradition      *Ruthless Saints* Vanessa Saint, Perfect Privileged And poisonous You know them The Instagram influencing pampered never had a problem money couldn't fix heirs of our nation's elite Most people never get any closer to these American royals than their social media streams but not me No I spend my days up close and personal with the famously infamous Picking up trash and cleaning their toilets is the opposite of glamorous but it's afforded me a few perks like a scholarship to the exclusive Bryers University Thank god the Carlisle heirs brooding sexy Jude and colder than ice Lila haven't caught on to the fact that their housekeeper is also their classmate I'm already an outsider in enemy territory and if the rest of the school finds out a huge target will be placed on my back I've been careful and kept my head down But I screwed up Because now I've found myself on Jude's radar Suddenly our paths are constantly crashing into each other and I can't escape him or his dark pensive stare and wicked smile Deliciously hateful sparks fly with each meeting and it should push me away but all it does is draw me in But I have to be careful Because letting him in comes at a high price And the odds favor one outcome This is a dark bully romance intended for readers 18 This book contains dark themes that some readers might be uncomfortable with      *Cigarette Nation* Daniel J. Robinson, 2021-02-05 In the 1950s the causal link between smoking and lung cancer surfaced in medical journals and mainstream media Yet the best years for the Canadian cigarette industry were still to come as per capita cigarette consumption rose steadily in the 1960s and 1970s In *Cigarette Nation*

Daniel Robinson examines the vibrant and contentious history of smoking to discover why Canadians continued to light up despite the publicized health risks Highlighting the prolific marketing and advertising practices that helped make smoking a staple of everyday life Robinson explores socio cultural aspects of cigarette use from the 1930s to the 1950s and recounts the views and actions of tobacco executives government officials and Canadian smokers as they responded to mounting evidence that cigarette use was harmful The persistence of smoking owes to such factors as product development marketing and retailing innovation public relations sponsored science and government inaction Domestic and international tobacco firms worked to furnish Canadian smokers with hope and doubt hope in the form of reassuring marketing as seen with light and mild cigarette brands and doubt by means of disinformation campaigns attacking medical research and press accounts that aligned cigarettes with serious disease Drawing on a wide range of primary sources including thousands of industry records released during a landmark tobacco class action trial in 2015 Cigarette Nation documents in rich detail the history of one of Canada s foremost public health issues

Bandit Saints of Java George

Quinn,2019-01-01 Java s pilgrimage culture is a dense batik like pattern of contradictions seriousness collides with laughter curiosity with bewilderment piety with scepticism intense spirituality with in some places the joy of shopping The pilgrimage culture on the island of Java in Indonesia the world s largest Muslim country is a rebuke to the conservative orthodoxy that has been gaining ground in Indonesia s religious landscape since the 1980s In the rhetoric of this orthodoxy the real Islam is pure and exclusive Piety comes from obedience to religious authority and its rules Local pilgrimage is anything but pure and exclusive or rigidly authoritarian It is powerfully Islamic but it fuses Islam with local history the ancient power of place and a pastiche of devotional practices with roots deep in the pre Islamic past Quietly but tenaciously just outside the great echo chamber of public space it is growing as fast as the higher profile neo orthodoxy Bandit Saints of Java delves deep under the surface of modern Indonesia exploring personalities and stories in the weird world of local pilgrimage where Middle Eastern Islam wrestles with the ancient power of Javanese civilisation It paints an astonishing portrait of Islam as it is practised today largely invisible to journalists scholars and tourists by many of Java s 130 million people
