Saints And Seasons Reflections For The Liturgical Year:

Saints and Seasons James McKarns, 2005-08 A major part of the annual worship experiences in the Catholic Church revolves around the commemoration of the saints This book gives a brief history of these outstanding personalities who have been enrolled in the church's hall of fame They cover the period from the first to the twentieth century Some are household names as St Peter the first pope St Patrick of Ireland St Francis of Assisi St Therese the Little Flower of France and St Elizabeth Ann Seton of Baltimore Maryland Some others are lesser known to us but equally known to the Lord to whom they dedicated their lives love and daily service Their way of life can be both a guide and inspiration to us on our pilgrim journey through this world Just as there are four seasons in our calendar year so there are four seasons in the church year These are Advent Christmas Lent and Easter This book gives a short commentary on the weekday scripture readings for these four liturgical seasons Many people have found these spiritual thoughts enlightening and very helpful in living the particular seasons in union with the liturgy of the church

Saints and Seasons Peter Varengo, 2017-01-31 In a world of communication overload if an announcement is to become life giving and growth producing we need to make a deliberate choice to listen shifting our focus from hearing words to discerning the message behind them This is the technique underlying the Word of God and exemplified by the parables By tapping into the life experience of his contemporaries Jesus drew the attention of his hearers to hearing the words and then to listening to the message Whether in a desert place out on the sea on top of a mountain fishing on a lake in temple precincts or sitting by a well in Samaria Jesus proclaims and reveals the active presence of God at work where people are in the ordinary unfolding of our ordinary lives and the location often unexpected and unwelcomed gives a heightened strength to the message proclaimed God is active and present in the ordinary and God must be found in the ordinary That is the key assumption underlying these reflections on Saints and Seasons
