Deborah Larsen's young womanhood *The Tulip and the Pope* is both an exquisitely crafted spiritual memoir and a beautifully nuanced view of life in the convent. In midsummer of 1960, nineteen-year-old Deborah shares a cab to a convent. She and the teenage girls with her, passionate to become nuns, heedless of all they are leaving behind, smoke their last cigarettes before entering their new lives. In the same artful prose that distinguished her novel *The White*, Larsen's memoir lets us into the hushed life of the convent. She captures the exquisite peace she found there as well as the extreme constriction of the rules and her gradual awareness of all that she is missing. Eventually, the physical world—the lush tulip she remembers seeing as a girl, the snow she tunneled in, and even the mystery of sex—begins to seem to her an alternative theater for a deep understanding and love of God.

[Hopscotch](#) Hilary Fannin, 2015-10-22. Quite brilliant, beautifully, cleverly observed, funny, heart-breaking. Roddy Doyle: Hilary is four, not yet five, and she has a mother and a father and an older brother and sisters. She even has a name at home, Billy, that is different from her written-down name. But now that she is in *Low Babies* in the local convent school, it seems Hilary has something else called responsibilities. The world is a changing place. Hilary's parents, themselves products of a country bathed in sanctifying grace and presided over by leather-strapped Christian Brothers, wimpled nuns, and a strictly ingrained moral code, start to question their own life choices. As she begins to mature, Hilary's perspective shifts from a confusing mosaic of half-understood conversations, bizarre rules, and surreal religious symbolism to a growing awareness of the eccentricities of the adult world around her, where money is tight, ideas are unorthodox, and where living life to the full is the goal. As her parents' unconventional lifestyle rubs against the grain of a pervasive Catholic society, the cracks begin to appear: siblings are expelled from school, final demands litter the hallway, and Hilary discovers the truth about the always-present but never-to-be-mentioned golden-haired lady. *Hopscotch* is a funny, poignant, and beautifully written memoir, a spellbinding meditation on innocence, love, and memory itself.
