Nurturing Child and Adolescent Spirituality Karen-Marie Yust, 2006 Nurturing Child and Adolescent Spirituality Perspectives from the World's Religious Traditions provides a forum for prominent religious scholars to examine the state of religious knowledge and theological reflection on spiritual development in childhood and adolescence Featuring essays from thinkers representing the world's major religious traditions the book introduces new voices challenges assumptions raises new questions and broadens the base of knowledge and investment in this important domain of life It specifically and intentionally focuses on theological and philosophical perspectives from within religious traditions creating space for the religious traditions to find their voices Nurturing Child and Adolescent Spirituality is firmly grounded in the language and priorities of religious studies and helps stimulate explorations of whether and how religious communities are tapping their own wisdom and strengths in nurturing today's young people in a complex and changing world Nurturing Child and Adolescent Spirituality will set the stage for new waves of scholarship and dialogue within and across traditions disciplines and cultures that will enrich understanding and strengthen how the world's religious traditions and others understand and cultivate the spiritual lives of children and adolescents around the globe *Ritual Participation and Interreligious Dialogue* Marianne Moyaert, Joris Geldhof, 2015-04-23 Shared ritual practices multi faith celebrations and interreligious prayers are becoming increasingly common in the USA and Europe as more people experience religious diversity first hand While ritual participation can be seen as a powerful expression of interreligious solidarity it also carries with it challenges of a particularly sensitive nature Though celebrating and worshiping together can enhance interreligious relations cross riting may also lead some believers to question whether it is appropriate to engage in the rituals of another faith community Some believers may consider cross ritual participation as inappropriate transgressive behaviour Bringing together leading international contributors and voices from a number of religious traditions Ritual Participation and Interreligious Dialogue

delves into the complexities and intricacies of the phenomenon They ask what are the promises and perils of celebrating and praying together What are the limits of ritual participation How can we make sense of feelings of discomfort when entering the sacred space of another faith community The first book to focus on the lived dimensions of interreligious dialogue through ritual participation rather than textual or doctrinal issues this innovative volume opens an entirely new perspective

Islamic Horizons ,2003 Al Jumu'ah ,2003-03 *Al-Salat* Faisal Fahim,2014-07-27 This book has the pictures of all the positions of performing the prayer There has been an urgent need for a simple and concise guide which teaches the basics of prayer for Muslims This book has been designed for people who don t know how to pray yet or those who aren t sure whether they learned correctly or not In this book you will learn the prayers by reading clear and simple descriptions of what to do The 5 times 5 prayers rewards are equal to 50 prayers Then fifty prayers were enjoined on me I descended till I met Moses who asked me What have you done I said Fifty prayers have been enjoined on me He said I know the people better than you because I had the hardest experience to bring Bani Israel to obedience Your followers cannot put up with such obligation So return to your Lord and request Him to reduce the number of prayers I returned and requested Allah for reduction and He made it forty I returned and met Moses and had a similar discussion and then returned again to Allah for reduction and He made it thirty then twenty then ten and then I came to Moses who repeated the same advice Ultimately Allah reduced it to five When I came to Moses again he said What have you done I said Allah has made it five only He repeated the same advice but I said that I surrendered to Allah s Final Order Allah s Apostle was addressed by Allah I have decreed My obligation and have reduced the burden on My slaves and I shall reward a single good deed as if it were ten good deeds Sahih Al Bukhari 4 429 The Prophet PBUH has said Whoever guides another to a good deed will get a reward similar to the one who performs it Saheeh Muslim Saaiduna Anas Bin Malik Radiallahu Anhu narrates that the Prophet of Allah Sallallahu Alahi Wasalam said Whosoever offers his fajr prayer in congregation then remains seated making zikr of Allah until the sun rises and thereafter offers two rakats they will receive the reward of performing a Hajj and Umrah Sunan Tirmizi There is not one of you who perfects his wudu and prays two rakaat setting about them with his heart as well as his face except that Jannah would be mandatory for him Abu Dawud If the people knew the Reward for the Zuhr prayer in its early time they would race for it If they knew the reward for the Isha and the Fajr prayers in congregation they would join them even if they had to crawl If they knew the reward for the first row they would draw lots for it Saheeh bukhari The two sunnah rak ats of Fajr are more superior than the world and everything within it Sahih Muslims 1 251 Invite to the Way of your Lord i e Islam with wisdom i e with the Divine Revelation and the Qur an and fair preaching and argue with them in a way that is better Truly your Lord knows best who has gone astray from His Path and He is the Best Aware of those who are guided Quran 16 125 If Allah guides a person through you it is better for you than all that is on the earth Bukhari No 2783 Muslim No 2406 Convey my teachings to the people even if it were a single sentence Sahih Bukhari Vol 4 Hadith 667
