Salamander Is Not A Fish:

"A Salamander is Not a Fish!" Jim Fay, 2005 In A Salamander Is Not a Fish the legendary Jim Fay helps teachers create conditions that are absolutely essential for great academic and social learning Many schools have responded to the pressure of the modern age by increasing the content of the curricula and the rigidity of the student code Both educators and students feel the pressure Some become overwhelmed by this pressure Jim Fay gives you the skills to help you create the relationships and respectful environments that are at the heart of great learning communities The bottom line is that the Love and Logic tools in this book make teaching easier and better The path of Love and Logic helps teachers create conditions that are absolutely essential for great academic and social learning California Fish and Game ,1927 **Amphibian Declines**
