Salazar Blinks:

Salazar Blinks David R. Slavitt, 1988 In this satire former dictator Salazar felled by a stroke in 1968 is unaware that he has lost power and a new government has replaced him Carlos a poet journalist and political prisoner is forced by Portugal's government to broadcast false radio dispatches for Salazar's benefit **Epic and Epigram** John Owen, David R. Slavitt, 1997 This work provides translations of epigrams by 16th century Welsh academic John Owen including Duessa's Version A Dirge in Seven Canticles which offers an irreverent recapitulation of The Faerie Queene Short Stories Are Not Real Life David R. Slavitt, 1999-03-01 In these fourteen beautifully crafted stories David R Slavitt shows his mastery of the form Elegant spare sometimes funny sometimes elegiac this collection reflects a writer in admirable control of his craft The title story complete with footnotes la The Norton Anthology of Short Fiction braids together the tidy conventions of fiction and the brutal reality of New York as a writing teacher ponders his student's sexually explicit story that may or may not be autobiographical In The Impostor a writer's brother exploits the legerdemain of fiction in a series of ever bolder impersonations Several of the stories are presented by emotionally wounded narrators disillusioned men looking for a hint of grace in a world where expectations are frequently doomed to disappointment In such a world only one thing is certain we will hurt and be hurt by the ones we love And in the vacuum left when traditions that might have been redemptive have lost their meaning punishment gets to be a habit a way of life or at least something to hold onto The stories pivot on nuance on the half realized insight on some perfectly innocent and insignificant insight on some perfectly innocent and insignificant gesture that turns round and grows into a medium to large awkwardness We find what the divorced father futilely awaiting his daughter's visit in Hurricane Charlie calls dabblers in distress lonely decent people trying to discover where love and life went In Simple Justice a man striving for some definitive family memory compares the process to archaeology The shards that remain are pathetically small and almost grudging Thus through the faltering memory of an elderly cousin in confections a man becomes a kind of incarnation of his own father and for a moment finds himself at the vanishing point where a lost past meets an unknowable future In The long Island Train a simple anecdote becomes a metaphor for the opacity of the most apparently transparent human intentions Yet it is often these shards of tradition and memory that seem to hold our only promise of transcendence The protagonist of Grandfather for example through his reluctant participation in his grandson's brie finds a moment of reconciliation with a past that has broken loose of its moorings Even the most experimental of these pieces Instructions a list of admonitions ranging from the quotidian to the cosmic shows a deep humanity and a maturity of vision that steers adeptly between humor and despair These stories will linger in the reader's memory long after the book is closed A Gift David R. Slavitt, 1996 Educated in the church the young da Ponte carouses in Venice flees Italy and finds himself in Austria trying to establish a career in the theatre Under the tepid patronage of Joseph II of Austria he turns out libretti for Salieri and learns the whorey tricks of writing on demand Adaptation translation theft Seneca Lucius Annaeus Seneca, 1992-04 In these

lively renditions David Slavitt calls attention to the extraordinary work of the great Latin poet Seneca and makes them appealing to modern readers Seneca's honest artistry confronts the cruelty and irrationality of his world the Rome of Caligula Claudius and Nero The surprise is that Seneca's world is so like our own This volume includes five of Seneca's tragedies Trojan Women Thyestes Phaedra Medea and Agamemnon Drama The Cliff David R. Slavitt, 1994-08-01 John Smith is an imminent historian secure in his well paid position as an endowed professor at a major university Any day he expects a favorable reply to his application for a residency at the Villa Sfrondata a foundation supported colony for artists and intellectuals on the banks of Italy's Lake Como where he hopes to finish work on a study of Mussolini John Smith the other John Smith is a bitter and failed novelist an adjunct assistant professor of English at the same university Suffering from writer's block ignored by his daughter hounded by his former wife's attorney for back alimony and about to lose his job his prospects could not be dimmer that is until the day the Villa Sfrondata's invitation to the eminent historian is delivered to him by mistake Before you know it the down and out how can things get worse what have I got to lose John Smith is in Italy ensconced imposter though he is in a room at the centuries old villa But what had promised to be a blissful if ill gotten idyll quickly sours The villa is drafty and decaying the staffs are surly and incompetent and the other residents among them a Nigerian economist a Washington lawyer a book designer an art historian and a feminist poet from California are a motley and eccentric group whom Smith finds all but insufferable He seizes every opportunity to deflate their overblown pretensions with a razor sharp wit which he possesses in astonishing abundance At the same time he must take care that some misstep does not reveal him as a fraud His life is further complicated when one of the guest the despised feminist poet mysteriously disappears After passing through what he calls a cloudy afternoon of the soul including the very real fear that he will be implicated in the disappearance of the poet Smith contrives in the end to amend his life and even to revive his all but abandoned literary career This devastatingly satiric and funny book David R Slavitt's fiftieth is a complicated burlesque that turns out to be a moving story of human frailty and spiritual rebirth It is a feat of literary legerdemain that will dazzle even admirers of Slavitt's Turkish Delights Lives of the Saints Salazar Blinks and The Hussar *Crossroads* David R. Slavitt, 1994-02-01 In his twelfth book of original verse David R Slavitt leads us to a crossroads where terror loneliness and despair are transfigured by love and art Much of the collection centers on the poet's family history In the title poem Slavitt imagines the dour landscape of the Polish hamlet his grandparents left in search of a safer haven at the same time that he reflects ruefully on the hazards of contemporary life in America but what they abandoned is what I dream of now asleep while people who don't even know my name monitor consoles that show what zones in my house have been violated what doors or windows opened or motion sensors tripped by the cat or some intruder On the street cars are stolen and stripped by desperate men wild children Who can say In another poem he recalls his mother and his discovery only after her death her murder that the name she had been given was not Adele but Ida As a young woman she had chosen to call herself something

not too cute but not too plain not Ida And it is Adele he decides on for her grave marker in deference to her whimsical and brave spirit Not only family but also the worlds of art music and literature animate Slavitt s verses from a consideration of the modes of salvation suggested by El Greco s and Goy s paintings of Saint Peter to a reflection upon our common response to a discordantly tuned instrument from echoes of Paradise Lost to witty and deft variations on Catullus Throughout this collection David Slavitt s keen intelligence wry humor and deep compassion shine through Crossroads allows us to observe a poet working at the peak of his powers *Global Impact of the Portuguese Language* Asela de Laguna,2018-01-16 Within the cultural and literary context of contemporary Portugal and Western literature 1998 was unquestionably the year that Portuguese writing gained international recognition as JosU Saramago became the first Portuguese writer ever to receive the Nobel Prize in literature Readers who had never thought about Portuguese letters began to consume his books and most importantly opted for expanding their reading lists to include other important writers not only from Portugal but from Portuguese speaking well beyond the borders of Portugal *Global Impact of the Portuguese Language* is a collection of Portuguese writing that is as rich in content and broad in scope as the diversity of its topics and writing modes of its contributors The book is divided into three major parts Part 1 Different Cultural Perspectives of Portuguese Writing contains thirteen chapters in which the first and opening one Portugal The New Frontier ably sets the stage for the book by examining from a cultural perspective how Portugal a peripheral country in the new world system serves as a microcosm of the problems of cultural intercommunication in today s world Subsequent chapters are grouped in three categories The Voices of the Writers Critical Approaches to Cames and Fictionalizing the Nation Part 2 Portuguese Language and Literature Outside Portugal comprises one section devoted to the Portuguese language in Africa followed by studies about Portuguese discoveries as part of the historical process of remembering and forging one s identity and finally a comprehensive historical development of Portuguese writing both in Portuguese and English in the United States Part 3 Portuguese Literature and Criticism Available in English Suggested Readings details the recent literary happenings which point to a possible renaissance in Portuguese literary production The concluding part of this volume offers a short comprehensive listing of anthologies general studies and the most popular translations of the best of Portuguese writing from Portugal and Africa This lively volume constitutes a first pioneering effort to contribute to a deepening appreciation and understanding of Portuguese writing Anyone interested in ethnic writing will find this book an invaluable education resource with which to begin an exploration of Portuguese writing in the United States Asela Rodriguez de Laguna is associate professor of Spanish and director of the Hispanic Civilization Language Studies Program She is the author of *Notes on Puerto Rican Literature Images and Identities An Introduction* and editor of *Images and Identities The Puerto Rican in Two World Contexts* **How to Ditch Your Fairy** Justine Larbalestier,2010-07-15 If you lived in a world where everyone had a personal fairy what kind would you want A clothes shopping fairy The perfect outfit will always be on sale A loose change fairy Pretty self explanatory

A never getting caught fairy You can get away with anything Unfortunately for Charlie she s stuck with a parking fairy if she s in the car the driver will find the perfect parking spot Tired of being treated like a personal parking pass Charlie devises a plan to ditch her fairy for a more useful model At first teaming up with her archenemy who has an all the boys like you fairy seems like a good idea But Charlie soon learns there are consequences for messing with fairies and she will have to resort to extraordinary measures to set things right again
