*Villain Or Hero* Ann Thomas Wilkins,1994 In the *Bellum Catilinae* Sallust portrays Catiline in a variety of ways The result is that the protagonist emerges as a balanced individual not as the villain that Cicero presents The explication of Catiline s character is of paramount interest to Sallust who desires to evoke the moral climate that could produce people like Catiline and his co conspirators figures who despite their revolutionary tendencies are nonetheless products of training in the old Roman virtues Furthermore it is possible that Sallust aware of the parallels between himself and Catiline in terms of political careers aspirations and moral weaknesses chose the attempted conspiracy of 63 BCE as his topic in part because of his interest in analyzing the social moral and political climate in which both he and Catiline were immersed
