## **Sally Goes To The Vet:**

Sally Goes to the Vet ,2004-04-06 Huneck s irrepressible canine star Sally the Black Labrador returns in an adventure that leads her unfortunately to the vet s office But the intrepid Sally quickly learns that a visit to the vet doesn t have to be scary Full color      **Sally Gets a Job** Stephen Huneck,2008-04 While her family is away at work and school Sally a black labrador retriever dreams of all the jobs she might get then remembers that she already has the best job of all      *The Read-Aloud Scaffold* Judy Bradbury,2011-09-16 This compendium of outstanding read aloud choices for grades pre K 3 will enrich and extend content area instruction helping busy teachers to meet curriculum requirements within the confines of their busy schedules It s a familiar and unfortunate story educators everywhere are being asked to do more teaching with less less money less staff and less time One easy way to provide more content area instruction to very young readers is by scaffolding beneficial learning subjects within memorable read aloud activities This augments the instructional curriculum and keeps learning fun without adding to the educator s already full plate *Read Aloud Scaffold Best Books to Enhance Content Area Curriculum Grades Pre K 3* offers teachers and librarians over 700 content area connections through carefully selected recently published children s trade books These selections include fiction and non fiction titles that represent outstanding read aloud choices that will augment the instructional curriculum covering subjects ranging from history to holidays to special events and from biographies and memoirs to poetry and character education A Closer Look suggests outstanding read aloud choices related to key units in the curriculum and features discussion points cross curricular activities writing prompts and related online and print materials      A Nanny'S Day—The Professional Way! the Social Studies Book Kristin Laubenthal,2016-07-08 The Social Studies Book is brought to you with a variety of learning experiences for children between the ages of two to six The key focus is teaching children about the world they live in Kristin gives enjoyable and purposeful activities for the children to doall related to social studiesso the children are not only having fun but also learning without even realizing it The Social Studies Book is a second curriculum book to Kristins first book *A Nannys DayThe Professional Way A Curriculum Book for the Professional Early Childhood Nanny*      *Talking, Drawing, Writing* Martha Horn,Mary Giacobbe,2023-10-10 In the early grades talking and drawing can provide children with a natural pathway to writing yet these components are often overlooked In *Talking Drawing Writing Lessons for Our Youngest Writers* authors Martha Horn and Mary Ellen Giacobbe invite readers to join them in classrooms where they listen watch and talk with children then use what they learn to create lessons designed to meet children where they are and lead them into the world of writing The authors make a case for a broader definition of writing advocating for formal storytelling sessions in which children tell about what they know and for focused sketching sessions so that budding writers learn how to observe more carefully The book s lessons are organized by topic and include oral storytelling drawing writing words assessment introducing booklets and moving writers forward Based on the authors work in urban kindergarten and first grade classes

the essence and structure of many of the lessons lend themselves to adaptation through fifth grade The lessons follow a consistent format What s going on in the classroom What do children need to learn next Materials needed to teach the lesson Language used in each lesson Reasons behind why certain books are chosen and suggestions for additional children s books The authors show the thinking behind their teaching decisions and provide a way to look at and assess children s writing giving us much more than a book of lessons they present a vision of what beginning writing can look and sound like Perhaps most powerfully they give us examples of the language they use with children that reveal a genuine respect for and trust in children as learners
