Fields Films* James L. Neibaur, 2017-03-31 W C Fields was at the top among comedians during Hollywood s Golden Era of the 1930s and 1940s and has since remained a comic icon Despite his character s misanthropic child hating alcoholic tendencies his performances were enduringly popular and Fields became personally defined by them This critical study of his work provides commentary and background on each of his films from the early silents through the cameos near the end of his life with fresh appraisals of his well known classics Pictures once believed to be lost that have been discovered and restored are discussed and new information is given on some that remain lost **The Griffith Project, Volume 10** Paolo Cherchi Usai, 2019-07-25 No other silent film director has been so extensively studied as D W Griffith However only a small group of his more than five hundred films had been the subject of a systematic analysis Now for the first time in film studies the complete creative output of Griffith from *Professional Jealousy* 1907 to *The Struggle* 1931 is explored in this multi volume collection of contributions from an international team of leading scholars in the field Created as a companion to the ongoing retrospective held by the Pordenone Silent Film Festival The Griffith Project is now an indispensable guide to his work This is the final volume of the project *A Companion to D.
