**Every one salted with fire. A sermon [on Mark ix. 49, 50].** William Edward Jelf, 1846      **Salted with Fire** Elvean Bailey, 2016-08-31 Jesus did not meet the expectations of the religious leaders of his time nor of his earthly parents nor of those he healed nor of his own disciples He was infinitely greater He understood absolutely he knew fully and he saved completely His amazing miracles and elegant discourses were merely aids to bring the lost to Himself invitations to join him in eternity Today Jesus is still the same and the invitation still stands Salted with Fire examines the meanings behind Jesus words and actions thereby empowering today's disciples to know him more and lead others to safety in him      **Sermons** George Collyer Harris, 1875      Matthew and Mark John William McGarvey, 1876      *Mark* Robert H. Gundry, 2000-05 This monumental work presents a careful well argued alternative reading of the Greek text of Mark a reading that pays special attention to such literary devices as word order chiasm inclusio asyndeton and the historical present tense Driving the commentary is Gundry's provocative seldom defended thesis that Mark's Gospel constitutes a straightforward apology for the shameful manner of Jesus death as such Mark is essentially an evangelistic tract rather than an obliquely written handbook of Christian discipleship and church life Sure to become recognized as the heavyweight English commentary on the Gospel of Mark This massive commentary rich with exegetical detail and critical assessment of the secondary literature makes an important contribution not only to Markan research but also to the study of the historical Jesus Christian Scholars Review
