Salute To Service The Rebirth Of Patriotism:

A Salute to Service Michael J. Radford, Mike Radford, 2004 Concepts such as patriotism and family values have been mocked struck down and absolutely belittled in the past few years according to this volume The clear waters of right and wrong have been muddied until younger generations no longer seem to know right from wrong but are mentally trapped in a murky gray area of if it feels good do it This book by Mike Radford celebrates America its families its veterans and its Christian heritage Stories of great Americans and reminders of what makes America great are included here inspiring all of us to return to the things that make this the greatest nation on earth **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004 *The Death of the Church and Spirituality Reborn* Reverend John Littlewood, 2017-04-28 A controversial book which some followers of Christianity Wicca or New Age Philosophies may find challenging The Death of the Church and Spirituality Reborn attempts to clarify trends that are leading to the death of the Church and a desire for a more spiritual approach to the pastoral care of the nation *Congressional Record* United States. Congress, 1995 **Congregational Revival for America's Heartland** Lauren R. Ley, 2013-01-12 This manual provides lenses geography religion politics culture economics history ethnicity to better understand the complexity and depth of congregations as social institutions and as the body of Christ within a multi layered context of life **Prisons and Patriots** Cherstin Lyon, 2012 Prisons and Patriots provides a detailed account of forty one Nisei second generation Japanese Americans known as the Tucsonians who were imprisoned for resisting the draft during WWII Cherstin Lyon parallels their courage as resisters with that of civil rights hero Gordon Hirabayashi well known for his legal battle against curfew and internment who also resisted the draft These dual stories highlight the intrinsic relationship between the rights and the obligations of citizenship particularly salient in times of war Lyon considers how wartime civil disobedience has been remembered through history how soldiers have been celebrated for their valor while resisters have been demonized as unpatriotic Using archival research and interviews she presents a complex picture of loyalty and conflict among first generation Issei and Nisei Lyon contends that the success of the redress movement has made room for a narrative that neither reduces the wartime confinement to a source of shame nor proffers an uncritical account of heroic individuals **National News** , 1946 **The Bengali Drama** P. Guha-Thakurta, 2013-09-05 This is Volume V out of eleven that form a collection on India its History Economy and Society First published in 1930 this book looks at the origin and development of Bengali Drama and contains matter for historians as well as direct criticism of what the author considers to be genuinely dramatic in the literature of Bengal past or present [The Assembly Herald](#) , 1909 **The Constructive Quarterly** Silas McBee, 1920 **Twilight of the American Century** Andrew J. Herald of Gospel Liberty Elias Smith,1904 **Self Consciousness** Anthony Cohen,2002-09-11 Traditionally the self and the individual have been treated as micro versions of larger social entities by the social sciences in general and by anthropology in particular In Self Consciousness Cohen examines this treatment of the self arguing that this practice has resulted in the misunderstanding of social aggregates precisely because the individual has been ignored as a constituent element By acknowledging the individual's self awareness as author of their own social conduct and of the social forms in which they participate this informs social and cultural processes rather than the individual being passively modelled by them
The Russians Are Coming! The Russians Are Coming! Richard M. Fried,1999-08-12 This book explores a widely lived yet little remembered facet of America's cultural and political history the Cold War as experienced at the grassroots level Here Fried traces the cresting of modern patriotic observance during World War II and then shows how patriotic and civic activists afterwards labored to recreate a remembered unity and commitment in the tension filled Cold War era A variety of national and local entities mounted campaigns to sell America to the Americans through rededication celebrations like Know Your America Week and Freedom Week The American Heritage Foundation wheeled out the Freedom Train which carried seminal documents of the nation's past to railroad depots across the US Fried revisits the 1950 Communist invasion of Mosinee Wisconsin when ersatz Stalinists harassed and bullied citizens and the town's eateries served only potato soup and black bread He also depicts the creation and inauguration of new patriotic events like Loyalty Day and Armed Forces Day Meticulously researched this book recreates a colorful sometimes comical and always revealing dimension of our history
