Shadows On The Horizon:

Shadows on the Horizon Stephen Mpofo, 1984 Shadows on the Horizon Christina Crimi, 2020-02-05 Lissie Lockheart knows that monsters and magic are real And she has the scars to prove it After surviving a battle in a new war between the undead Lissie tries to return to a normal life With suspicions hanging in the air and secrets weighing on her heart she struggles to balance the two halves of her now very complicated life And she soon realizes that history tests or even stubborn vampire boyfriends are the least of her concerns A mysterious shadow is descending upon Ruine and threatening not only the living but the dead as well Lissie fears that the Kingsleys are on the wrong path But with talk of a traitor amongst them the Kingsleys mistrust of Lissie grows and so do Connor s reservations The list of people she can trust is growing smaller by the day Now Lissie must have courage follow her instincts and seek alliances from the most unlikely of places to prevent her home and her heart from falling into shadow Lissie s life is now bound by the light and the dark but can she save them both In the end she has always known that it will come down to a choice and that no matter how hard she fights it that choice will change her forever Shadow Algorithms Data Miner Andrew Woo, Pierre Poulin, 2012-06-12 Shadow Algorithms Data Miner provides a high level understanding of the complete set of shadow concepts and algorithms addressing their usefulness from a larger graphics system perspective It discusses the applicability and limitations of all the direct illumination approaches for shadow generation With an emphasis on shadow fundamentals the book *Rendering Techniques 2000* B.
