Lord of the Loose Ends Lloyd John Ogilvie,1991 When Doing It All Is Undoing You Alyssa Joy Bethke,2024-09-17

Discover the power of following Gods word with this transformative guidebook that gives you permission to let go of the emotional stress weighing you down and find beauty in the life you already live Feeling fragmented and frazzled many women today are caught in a vicious cycle trying to do too much hold everything together manage and control their circumstances and avoid mistakes at all costs But no matter how hard we try there are many things outside of our control In trying to do it all we are undone ourselves What if we could shift our perspective so that instead of spinning our wheels wasting energy manufacturing and controlling our lives we aim to let go and lean into who we are becoming In *When Doing It All is Undoing You* Alyssa Bethke helps readers understand the difference between what is in and what is out of our control and she examines how our striving for approval balance happiness and lofty ideals often masks underlying fear and disappointment She acknowledges that even when we do all the right things the outcome we hope for is not guaranteed and addresses the disillusionment so many of us feel when the life we have looks nothing like the life we envisioned Ultimately Alyssa shows readers that turning towards the God who is after our authentic hearts is the only guarantee of a life of hope and fulfillment the life we are all longing for By drawing near to God as the primary source of our joy and contentment we can learn to hear His voice find freedom and hope in our deep disappointments and become the women that He created us to be free full and faithful

Ghost Writer Joe Fetting, *The Intentional Life Series* Ramesh P. Richard, 2004-05-01 This set includes all three books of the Intentional Life Series Soul Passion Soul Mission and Soul Vision Throughout the Ages humanity has pursued the meaning of life However most of us live decidedly arbitrary lives muddling through from day to day In the Intentional Life Series Dr Ramesh Richard who has been called the layman's Ravi Zacharias articulates how a meaningful life must be a truly intentional life comprised of passion mission and vision He believes that in

order for us to embody our true selves and become what we were designed to be we must reevaluate that passion mission and vision and conform them to God's will In Soul Passion Richard argues that even though many of us know there must be something more to life we stumble about with undirected goals and undiscovered passion He motivates readers to ask themselves what their passion is where they have placed their heart love trust and sufficiency Discovering your soul passion is the foundation for living a biblically well built and profitable life In Soul Mission Richard explores what it means to have a mission for your life that is in response to God's universal purpose Readers will find themselves deeply challenged to evaluate why they're here and find assistance with developing their own soul mission In Soul Vision Richard closes the trilogy by orienting his readers to the future through guidance from the Divine Visionary **Stories of my Life** Alex J.
