one of the most genial places in London It is a place to which you may go when you want to tell that odd dream you had last night or to announce what a good dentist you have discovered You can write letters there if you like and have the temperament of a Jane Austen for there is no silence room and it would be a breach of club manners to appear busy or absorbed when another member addresses you You must not mention golf or fish however and if the Hon Freddy Arbuthnot s motion is carried at the next committee meeting and opinion so far appears very favourable you will not be allowed to mention wireless either As Lord Peter Wimsey said when the matter was mooted the other day in the smoking room those are things you can talk about anywhere Otherwise the club is not specially exclusive Nobody is ineligible per se except strong silent men Nominees are however required to pass certain tests whose nature is sufficiently indicated by the fact that a certain distinguished explorer came to grief through accepting and smoking a powerful Trichinopoly cigar as an accompaniment to a 63 port On the other hand dear old Sir Roger Bunt the coster millionaire who won the 20 000 ballot offered by the Sunday Shriek and used it to found his immense catering business in the Midlands was highly commended and unanimously elected after declaring frankly that beer and a pipe were all he really cared for in that way As Lord Peter said again Nobody minds coarseness but one must draw the line at cruelty On this particular evening Masterman the cubist poet had brought a guest with him a man named Varden Varden had started life as a professional athlete but a strained heart had obliged him to cut short a brilliant career and turn his handsome face and remarkably beautiful body to account in the service of the cinema screen He had come to London from Los Angeles to stimulate publicity for his great new film Marathon and turned out to be guite a pleasant unspoiled person greatly to the relief of the club since Masterman's guests were apt to be something of a toss up There were only eight men including Varden in the brown room that evening This with its panelled walls shaded lamps and heavy blue curtains was perhaps the cosiest and pleasantest of the small smoking rooms of which the club possessed half a dozen or so The conversation had begun quite casually by Armstrong s relating a curious little incident which he had witnessed that afternoon at the Temple Station and Bayes had gone on to say that that was nothing to the really very odd thing which had happened to him personally in a thick fog one night in the Euston Road **Lord Peter** Views the Body Dorothy Leigh Sayers, 2024 Charismatic aristocrat detective Lord Peter Wimsey with his keen intellect refined taste for food wine fashion music and art and wit as sharp as his Savile Row suits is put to the test as he navigates a series of twelve bizarre cases **Lord Peter Views the Body,.** Dorothy Leigh Sayers,1935 Lord Peter Views the Body (Warbler Classics Annotated Edition) Dorothy L Sayers, 2024 In this captivating collection of twelve intriguing tales Sayers reveals a more grisly and beguiling side to Lord Peter Wimsey These stories demonstrate his dazzling ability to crack the inexplicable and bizarre cases that cross his path Lord Peter Views the Body ,1928 Lord Peter Views the Body Dorothy L Sayers, 2009-10-15 A book of short stories featuring Dorothy L Sayers classic character Lord Peter Wimsey introduced by thriller writer Christopher Fowler a must read for fans of Agatha Christie's Poirot and Margery Allingham's
