**Landmark Cases in the Law of Tort** Charles Mitchell, Paul Mitchell, 2010-02-18 Landmark Cases in the Law of Tort contains thirteen original essays on leading tort cases ranging from the early nineteenth century to the present day It is the third volume in a series of collected essays on landmark cases the previous two volumes having dealt with restitution and contract The cases examined raise a broad range of important issues across the law of tort including such diverse areas as acts of state and public nuisance as well as central questions relating to the tort of negligence Several of the essays place cases in their historical context in ways that change our understanding of the case's significance Sometimes the focus is on drawing out previously neglected aspects of cases which have been undeservedly assigned minor importance Other essays explore the judicial methodologies and techniques that worked to shape leading principles of tort law So much of tort law turns on cases and there are so many cases that all but the most recent decisions have a tendency to become reduced to terse propositions of law so as to keep the subject manageable This collection shows how important it is despite the constant temptation to compression not to lose sight of the contexts and nuances which qualify and illuminate so many leading authorities

**Studies in the History of Tax Law, Volume 11** Peter Harris, Dominic de Cogan, 2023-09-21 This book is a continuation of the prestigious series which is drawn from the papers of the biennial Cambridge Tax Law History Conference The authors are a mix of academics and senior tax professionals from the judiciary and practice with representatives from 9 countries The series continues to investigate current tax policy debates in an historical context The papers fall within 3 basic categories 1 UK and Irish tax looking at a variety of topics such as tax administration cases and judges Whitney Singer Viscount Radcliffe the taxation of royal forests

the taxation of spirits and income tax transition in the Irish Free State 2 International taxation with chapters on the role of international organisations OECD League of Nations and on South Africa s early attempts to address double taxation tax treaties and 3 Non UK tax systems including chapters on the legacy of colonial influence Dutch East Indies early developments in China New Zealand and the USA an influential Canadian report Carter Commission development of the GAAR in Scandanavia and the receipt of Roman tax law in Europe      **The Registers of the Parish Church of Radcliffe** Radcliffe, Eng. (Parish),1923      Reason and Fairness Ulrike Müßig,2019-07-08 Throughout Europe the exercise of justice rests on judicial independence by impartiality In Reason and Fairness Ulrike M ig reveals the combination of ordinary judicial competences with procedural rationality together with the complementarity of procedural and substantive justice as the foundation for the rule of law in court constitution far earlier than the advent of liberal constitutionalism The ECHR fair trial guarantee reads as the historically grown consensus of the functional judicial independence Both before historical and contemporary courts justice is done and seen to be done by means of judgements whose legal requirements combine the equation of fair and legal with that of legal and rational This legal determinability of the judge s fair attitude amounts to the specific rational European idea of justice      **Studies in the History of Tax Law, Volume 7** Peter Harris,Dominic de Cogan,2015-09-24 These are the papers from the 2014 Cambridge Tax Law History Conference revised and reviewed for publication The papers fall within six basic themes Two papers focus on colonialism and empire dealing with early taxation in colonial New Zealand and New South Wales Two papers deal with fiscal federalism one on Australia in the first half of the twentieth century and the other with goods and services taxation in China Another two papers are international in character one considers development of the first Australia United States tax treaty and the other development of the first League of Nations model tax treaties Four papers focus on UK income tax one on source another on retention at source a third on the use of finance bills and the fourth on establishment of the Board of Referees Three papers deal with tax and status one with the tax profession another with the medical profession and a third with aristocrats The final three papers deal with tax theorists one with David Hume another focused on capital transfer tax scholarship and a final paper on the tax state in the global era      *Captive Pride* Bobbi Smith,2010-06-01 New York Times bestselling author Bobbi Smith spins a captivating tale of danger intrigue and the fireworks between a man and woman who should be making war not love      *Contract Law* Kenneth Yin,Simon Kozlina,Kelly Green,Luca Siliquini-Cinelli,Emmanuel Laryea,Lisa Spagnolo,2020-10-28 Contract Law Cases and Materials presents a selection of well chosen cases and illuminating commentary ideal for introducing students to the study of contract law in Australia Developed to accompany Stewart Swain and Fairweather s Contract Law Principles and Context this casebook maintains the accessibility of the principles text while providing the depth and analysis of topics required to learn contract law Following the structure of the principles text this text explores areas not traditionally covered in other casebooks such as resolving disputes preparing to make a contract preliminary agreements and interpreting

contracts Each chapter also briefly explores contracts in international contexts Containing well chosen carefully curated cases and extracts Contract Law Cases and Materials takes a practical approach to student learning and integrates rich pedagogy to build critical thinking and analysis skills making it an invaluable resource for contract law students

**The Construction of Commercial Contracts** JW Carter,2013-01-04 This book adopts a principled approach to the law applied in the construction of commercial contracts This approach is presented as part of a coherent theory of the law of contract construction which makes a unique contribution to scholarship and understanding of the most important aspect of the practice of commercial lawyers The law is explained by reference to three stages in construction It distinguishes the preliminary stage in which context is established from the meaning and application stages of contract construction The approach provides insights both into the practical problems that lawyers face in particular in relation to admissibility of extrinsic evidence and the theoretical underpinnings of the subject The book also explains the relationship between intention and construction and discusses general and specific rules that determine the results of construction disputes Each chapter is introduced by statements of its objectives and the book includes simple definitions of key concepts as well as summaries of the complex principles which comprise the law of construction In illustrating construction principles and their application the exposition of the law draws on the author s knowledge of Australian contract law and the influence and role of the UNIDROIT principles CISG and the American Restatement Second Contracts

**Autonomous Ships and the Law** Henrik

Ringbom,Erik Røsæg,Trond Solvang,2020-12-02 Interest in autonomous ships has grown exponentially over the past few years Whereas a few years ago the prospect of unmanned and autonomous vessels sailing on the seas was considered unrealistic the debate now centers on when and in what format and pace the development will take place Law has a key role to play in this development and legal obstacles are often singled out as principal barriers to the rapid introduction of new technologies in shipping Within a few years autonomous ships have turned from a non issue to one of the main regulatory topics being addressed by the International Maritime Organization However the regulatory discussion is still in its infancy and while many new questions have been raised few answers have been provided to them to date Increased automation of tasks that have traditionally been undertaken by ships crews raises interesting legal questions across the whole spectrum of maritime law The first of its kind this book explores the issue of autonomous ships from a wide range of legal perspectives including both private law and public law at international and national level making available cutting edge research which will be of significant interest to researchers in maritime law Chapter 3 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial CC BY NC 4.0 license

**Constitutional and Administrative Law** Hilaire Barnett,2002-07-29 Much of the extensive programme of constitutional reform commenced by the current government has been achieved Devolution is now well established reforms to the electoral process and political party funding have been addressed a Freedom of Information Act has been enacted and the House of

Lords has been partially reformed Of the reforms the most significant and far reaching is the introduction of the Human Rights Act 1998 the impact of which has been felt across numerous areas of domestic law The fourth edition of Hilaire Barnett's popular textbook provides a timely and comprehensive update on the impact of these reforms It brgt It brgt It igt Constitutional and Administrative Law It igt gt provides a clear exposition of the major features of the UK's constitution and a comprehensive summary of recent developments The book has been consciously designed to meet the needs of students undertaking a constitutional and administrative law course whether full or part time and provides comprehensive coverage of the syllabus drawn from a wide range of sources Text, Cases and Materials on Equity and Trusts Mohamed Ramjohn, 2008-06-30 Text Cases and Materials on Equity and Trusts has been considerably revised to broaden the focus of the text in line with most LLB core courses to encompass equity remedies and injunctions and to take account of recent major statutory and case law developments The new edition features increased pedagogical support to outline key points and principles and improve navigation notes to encourage students to reflect on areas of complexity or controversy and self test questions to consolidate learning at the end of each chapter New to this edition is a detailed examination of The Civil Partnership Act 2004 and the Charities Act 2006 important case law developments such as Stack v Dowden constructive trusts and family assets Oxley v Hiscock quantification of family assets Barlow Clowes v Eurotrust review of the test for dishonesty Abou Ramah v Abacha dishonest assistance and change of position defence AG for Zambia v Meer Care answers to the questions contained within the text and sample essay questions <http://www.routledgecavendish.com/textbooks/9780415442947> *Commonwealth Caribbean Land Law* Sampson Owusu, 2021-01-31 The first textbook to address land law as it relates to the Commonwealth Caribbean it encompasses all areas covered in an undergraduate course on the law of real property in the Caribbean Primary and secondary source material on the law of property in the whole of the Commonwealth Caribbean is made easily and readily accessible to law students and legal practitioners Statutory provisions from all States are discussed in relation to each topic and the similarities and differences are highlighted Extensive discussion and analysis of the decisions of the courts in the region are also included alongside an in depth analysis and critical discussion of English case law that is relevant to the Caribbean The examination of whether or not English case law should be followed in the region is relevant and interesting to anyone studying or practising law in other Commonwealth jurisdictions Essential reading for undergraduate law students in the Caribbean this text will also prove useful to those studying for the certificate of proficiency in the practice of law in the Commonwealth Caribbean while the footnote references to statutory provisions are an invaluable aid to any researcher of Caribbean land law *Nuclear Weapons, the Peace Movement and the Law* John Dewar, 1986-05-01 **Cases and Materials on Terrorism** Michael F. Noone, Yonah Alexander, 2023-08-28 This book fills an important gap in the literature on terrorism It is designed as a case book including seminal cases which set out the fundamental rules or principles applicable when circumstances are sufficiently intense to warrant use of the term terrorism

The United Kingdom is used as a primary source because English law regulating political violence has been continually refined in the 300 years since the Glorious Revolution and has served as a paradigm for other countries that derive their jurisprudence from that experience Ireland represents what might be called the post revolutionary variation Its laws were drafted and are administered by rebels and the children of rebels who clearly recall the successes and failures of the British campaigns in their country and who continue to observe the repercussions of pacification efforts in Northern Ireland Because there are fewer Irish court decisions and because Irish law in many instances mirrors the law of the United Kingdom only that Irish material which adds a distinctive perspective is included The United States presents a third peaceful model and a country which is increasingly confronted by terrorist acts The themes addressed in this book revolve around legal efforts to reconcile security considerations with those liberal democratic values which the nations consider to be their constitutional heritage Part I looks at the treatment of aliens both those who seek admission and those admitted whom the state decides to expel Part II examines selected problems involving citizens rights and the extent if any to which these rights can be impaired by anti terrorist measures Part III focuses on these institutional restraints on governmental behaviour derived from legislation or from common law
