Edited by A.R.C. Grant with Caroline Combe, Etc. [With Portraits and a Facsimile.]** Archibald Philip Primrose Earl of Rosebery,Caroline COMBE,Anthony Richard Charles GRANT,1967 British Liberalism and the United States Murney Gerlach,2001-07-19 While there are many works on British liberalism this is the first to deal substantially with the transatlantic and international content of liberalism Gerlach considers the transatlantic thought of prominent contemporary figures such as William Gladstone John Morley William Harcourt and Andrew Carnegie A fascinating account that paves the way for the political and social rapprochement of the twentieth century *Lord Rosebery's North American Journal-1873* Archibald Philip Primrose Earl of Rosebery,Antony R. C. Grant,1967 Contains journal entries describing a ten week tour of the United States and Canada The author visited many different cities including New York Chicago Salt Lake City Ottawa Montreal Boston and Washington **The Correspondence and Journals of the Thackeray Family Vol 3** John Aplin,2024-08-07 Marking the bicentenary of the birth of William Makepeace Thackeray in 1811 this five volume set presents a collection of materials relating to the novelist and to his gifted family **The North American Review** James Russell Lowell,1907 Vols 227 230 no 2 include Stuff and nonsense v 5 6 no 8 Jan 1929 Aug 1930 **Gilded Age Entrepreneur** Simon Cordery,2025-09-15 Simon Cordery s Gilded Age Entrepreneur illuminates the fascinating and chaotic business world of Albert Pullman The influential but little known older brother of George Pullman and the craftsman of the family Albert designed the first luxurious Pullman railroad cars and hosted promotional trips to show them off In those heady early days he met national business and political leaders and hired the first Pullman porters Albert and George made a formidable team but as the Pullman Company grew Albert s role shrank He turned to his own investment portfolio often with disastrous results Beginning with the industrial laundry that cleaned sleeping car linens Albert appeared before the Supreme Court after a catastrophic insurance investment ran afoul of federal banking regulations and failed in an attempt to corner wheat futures With evermore unsuccessful speculations Albert was tempted by extralegal land sales and entered the silver mining game Finally his own family in crisis and his relationship with George shattered Albert Pullman launched into one last round of adventurous investments with mixed results Gilded Age Entrepreneur demonstrates that Albert Pullman embodied the small time investors who were legion after the Civil War From banking and insurance to manufacturing and mining a host of hopeful dreamers like Albert Pullman fueled the circulation of capital by forging political connections creating and losing businesses issuing shares and longing for profit Prisons, Asylums, and the Public Janet Miron,2011-03-05 The prisons and

asylums of Canada and the United States were a popular destination for institutional tourists in the nineteenth century. Thousands of visitors entered their walls recording and describing the interiors, inmates, and therapeutic and reformatory practices they encountered in letters, diaries, and articles. Surprisingly, the vast majority of these visitors were not members of the medical or legal elite but were ordinary people. Prisons, Asylums, and the Public argues that rather than existing in isolation, these institutions were closely connected to the communities beyond their walls. Challenging traditional interpretations of public visiting, Janet Miron examines the implications and imperatives of visiting from the perspectives of officials, the public, and the institutionalized. Finding that institutions could be important centres of civic activity, self-education, and scientific study, Prisons, Asylums, and the Public sheds new light on popular nineteenth-century attitudes towards the insane and the criminal.

Judkins, 1899 **The Pall Mall Magazine**, 1902 New Nash's Pall Mall Magazine, 1902 **On the Stump**, Sean Scalmer, 2017-09. Stumping or making political speeches in favor of a candidate, cause, or campaign has been around since before the 1800s when speechmaking was frequently portrayed as delivered from the base of a tree. The practice, which has been strongly associated with the American frontier, British agitators, and colonial Australia, remains an effective component of contemporary democratic politics. In his engaging book *On the Stump*, Sean Scalmer provides the first comprehensive transnational history of the stump speech. He traces the development and transformation of campaign oratory as well as how national elections and public life and culture have been shaped by debate over the past century. Scalmer presents an eloquent study of how stumping careers were made, sustained, remembered, and exploited to capture the complex rhythms of political change over the years. *On the Stump* examines the distinctive dramatic and performative styles of celebrity orators including Davy Crockett, Henry Clay, and William Gladstone. Ultimately, Scalmer recovers the history of the stump speech and its historical significance in order to better understand how political change is forged.
