Thomas Pulickal,2020-03-03 In the beginning the Lord God formed man from the dust of the ground and breathed into his nostrils the breath of life and the man became a living soul This breath of the living soul was breathed out by Christ at His death on the Cross and again after the resurrection He breathed on the disciples the Spirit of God saying Receive the Holy Spirit thereby enabling man the transition from the first man Adam into the second man Christ At the death of Christ the old covenant along with the external and natural ways of relating with God was nailed to the Cross bringing forth in His resurrection the New Covenant life the body of resurrection known as the body of Christ where all those united to Christ in the spirit become one with Him God wants the entire mankind to live in and by the New Covenant which is the reality or substance of the person of Christ as the indwelling life within us since this is the eternal plan purpose and will of God The Bible thus presents two realms one of death and the other of life through the old and the New Covenant with two different types of relationships God did not improve or modify the first man Adam on the Cross but crucified Adam in Christ and this is known as the judgement where Adam has been separated from Christ This reality has to be inworked within the soul of every human being for the transition from the natural and the earthly into the heavenly and the spiritual and thus from the living soul Adam to the life giving Spirit Christ This book unfolds the truth that Christianity is neither a religion nor an organisation but a true Christian is characterised by the resurrected life of Christ dwelling within him This realisation enables him to produce the fruit which is the increase of Christ and thereby achieve the harvest of a people living by the life of Christ In this way true salvation defined as the fullness of Christ in the human soul becomes a reality proclaiming to the world that the evidence of salvation is It is not I who live but Christ who lives in me The Deep Deep Well Riaan Engelbrecht,2023-01-25

God wants His children to enjoy His fullness He wants His children to live in victory and in a state of peace joy and love Yet this doesn't all depend on God It also depends on us God does His part but we need to do ours This is a two way road As they say it takes two to tango Are we willing to dance with God God's part is to set up the spiritual well meaning He is always available and accessible for us to engage in a real and meaningful relationship with Him God is a personal and faithful God who wants to engage with His children God provides Himself as the source of life yet it is up to us to plug into God Want more of God Then it is about how much we are willing to sacrifice surrender and seek God The Lord is always willing to meet with us but our spiritual journey hinges on our desire thirst and hunger for God Through the Valley of the Deep Darkness

Thomas Arner,2012-09 Through the Valley of Deep Darkness was written at the suggestion of a grief counselor She believed Reverend Arner's story of overcoming hatred anger and the desire for revenge and discovering rituals that lead to peace would be beneficial to others The evil within Reverend Arner came to the fore when his one year old grandson died in a fire set by the child's father and his daughter the child's mother suffered second and third degree burns over 70 percent of her body requiring a six week stay in the University of Virginia Trauma Burn Unit she was not expected to survive Also part of this story of overcoming was the trial of the child's father on capital one murder Arson and attempted murder charges

Reverend Arner shares the spiritual resources within a community of faithful relationships which enabled him and his wife to overcome to come through the valley of deepest darkness
