Lordship Salvation The Only Kind There Is:

Lordship Salvation Curtis I. Crenshaw, 1994-01-01 John H Gerstner wrote the Foreword to this pungent book on the Lordship salvation issue It covers the assumptions in the issue regeneration repentance faith justification sanctification assurance the place of the church and other matters The Appendixes add such matters as abiding in John antinomianism in dispensationalism multiple quotes of the New Testament on the issue and the early fathers **Did Jesus Teach Salvation by Works?** Alan P. Stanley, 2006-09-20 This book investigates the role of works in salvation in the Synoptic Gospels Jesus was all too aware of people who claimed to believe in Him and yet proved to be not truly born again e g John 2 23 25 8 31 46 A profession of faith made at some point during one s life is no guarantee that heaven awaits that person Such professions or conversion experiences must be followed by changed lives if faith is to be shown to be genuine saving faith Hence Jesus teaches that regardless of one s profession if one does not demonstrate a changed life produced by God one will not enter into heaven Such a judgment will be made when Jesus returns and judges every person according to his or her works While this may seem contradictory to some more well known passages ruling out the role of works in salvation e g Rom 3 21 4 25 Gal 2 16 21 Eph 2 8 9 there is every good reason to understand that Jesus teachings complement such passages The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God after conversion They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a relationship with God during one s life Hence Jesus did teach salvation by works However God is the one who produces the works and they occur after conversion Thus salvation is not one s initial conversion but one s final entrance into heaven **Lordship Salvation** Charles C Bing, 2010-07 A powerfully biblical and thorough answer to the Lordship Salvation controversy There is no more important issue than how to become a Christian Lordship Salvation is a view that has confused many people about the nature of the gospel itself Based on a Ph D dissertation this is an academic and biblical response to the Lordship view The crucial issues of faith repentance lordship and discipleship Over 65 important passages explained A helpful Scripture index Can be used as a textbook Retains its original academic form and content You will find out how Lordship Salvation undermines the assurance of Christians as you gain a new confidence in the gospel of God s sure salvation Read it use it as a Bible study reference or teach from it it is a valuable resource in a critical and controversial issue Charles C Bing obtained his Ph D from Dallas Theological Seminary As founder and president of GraceLife Ministries he is active as an author conference speaker and adjunct professor

MacArthur,2005-03-06 The apostles understood the Gospel as they learned from and personally lived alongside Jesus and these lessons became the heart of their message to an unsaved world But what does their perspective mean for modern Christians and how can we read the Bible through their unique lens today Following the release of his bestselling book The Gospel According to Jesus Dr MacArthur noticed that Christians were looking for practical advice spiritual counsel and accessible explanations of the Bible And most of all they wanted help understanding their experiences within Christianity Dr MacArthur realized that by examining scripture from the perspective of the apostles themselves even more Christians could come to know the Gospel as Jesus earliest followers did In his characteristic compelling style Dr MacArthur examines some of the key passages from the Epistles and Acts that reveal how the apostles first shared the gospel and how they unfolded the truths of salvation to the early church Dr MacArthur doesn't shy away from answering some of the difficult questions that he's been asked over the years including What is cheap grace Have some Christians adopted a no lordship theology What must a person do to be considered righteous by God How should we call people to faith Do our works have any effect on our salvation The Gospel According to the Apostles is a book for every Christian who wants to experience understand and fall in love with the same gospel that Jesus preached The Gospel According to Jesus John F. MacArthur,2009-05-26 What is authentic faith The Gospel According to Jesus challenges Christians to re evaluate their commitment to Christ by examining their fruits MacArthur asks What does it really mean to be saved He urges readers to understand that their conversion was more than a mere point in time that by definition it includes a lifetime of obedience John MacArthur tackles the error of easy believism by addressing these questions Is it possible to accept Jesus as Savior while refusing him as Lord Can someone truly believe without actually repenting How do obedience commitment to Christ and turning from sin fit together with the truth that we are saved by grace through faith alone The Gospel According to Jesus is just as powerful today as it was more than two decades ago It is a Scripture based clarion call for a rejection of the watered down message that has gained popularity in the church and a return to the gospel Jesus preached This 20th anniversary edition adds a powerful new chapter to the complete text of the original classic reinforcing the book's timeless message that Jesus demands to be both Savior and Lord to all who believe This book is compulsory reading for Christians from all walks of life and will help guide you into a deeper relationship with Jesus Christ **Pack Up Your Troubles** Maxie Dunnam,2010-09-01 Maxie Dunnam's direct persuasive and often

Discovering the Truth About Discipleship - Volume One Douglas Bennett, *"Free Grace" Theology* Wayne Grudem,2016-07-18 Must the gospel message include a call for people to repent of their sins No say Free Grace advocates Is evidence of a changed life an important indication of whether a person is truly born again No again these advocates say But in this book Wayne Grudem shows how the Bible answers Yes to both of these questions arguing that the Free Grace movement contradicts both historic Protestant teaching and the New Testament itself This important book explains the true nature of the Christian gospel and answers the question asked by so many people How can I know that I m saved

Cook,2024-07-20 Soteriology is the study of salvation The word soteriology is derived from the Greek words soter which means savior and logos which means a word about or the study of something Soteriology is the sphere of systematic theology that speaks to the nature means scope and purpose of salvation It is an important theme that runs throughout Scripture and reveals the God who saves It touches on the attributes of God such as His holiness righteousness and justice concerning sin as well as His love mercy grace and goodness to save

lost sinners who cannot save themselves Throughout this book we will examine the roles of God the Father God the Son and God the Holy Spirit concerning our salvation We will also explore the sinfulness of mankind and our total unworthiness to merit salvation by means of our good works *Loving God through the Truth, Second Edition* Mark Kim,2023-05-25 The word theology is often construed by many as referring to a very dry and academic discipline only reserved for the professional clergy and seminary professors Many lay Christians in the church are intimidated by the subject and feel it to be a tedious intellectual exercise that is of no use for their spiritual growth and mission of the church In an attempt to address this concern Mark Kim presents here an introductory systematic theology that deals with the core doctrinal topics of Christianity that is accessible for the average layperson The work will engage heavily with Scripture and the voices of the past and present who have contributed to the total theological voice of the church at large In this second edition of the work there is included an extra chapter on the doctrine of the Christian life As pointed out in the first edition of the work theology should foremost be practical in its results and application The author addresses this concern by including a new chapter discussing the nature of the Christian life and how Christians should live in the world **King James Only Revised**

Dispensationalism David E. Walker,2020-02-18 Most believers raised in churches that contend for the King James Bible as the infallible word of God are familiar with 2 Timothy 2 15 and the idea of dispensationalism In fact most Bible believers are so familiar with their Scofield Reference Bibles they can tell you which side of the page a certain passage is on from memory For many Bible believers dispensationalism as a theological system answers so called problem passages that clearly teach salvation by means other than by grace through faith in the finished work of Jesus Christ At the same time many King James Only believers remain unsettled or unsure about the differences in salvation under the various dispensations Their pastors may not emphasize or teach these distinctions or they may have fallen prey to King James Only preachers and authors who teach just the opposite Some of these authors have been teaching this faulty dispensational position for years while others have more recently modified this as their position In this booklet we will briefly trace the development of dispensationalism as it relates to salvation under the various dispensations We will show that the dispensationalism being taught by many King James Only preachers and authors is nothing more than a revised dispensational position rooted in Calvinism We will also dismantle the faulty premises of this revised position by addressing the major points and examining their books in light of the Book *The Vanishing Conscience* John F. MacArthur,2005-03-06 Are you losing your ability to recognize sin Are you becoming a person who finds it easy to shift blame deny guilt or excuse moral failure in yourself or others In this challenging yet compelling book John MacArthur encourages you to confront the culture's flight from moral responsibility With sound biblical truth this book shows how and why sin must be dealt with if you are to live in a way that pleases God With clarity and insight John MacArthur provides you with solutions for attaining a personal holiness that can take you from living a life of blame and denial to one of peace and freedom Praise for *The Vanishing Conscience* a wake up call and an alarm to jolt the

sleeping church Not all will like it but all should read it In this day of morality by majority self centered ministry and twilight zone theology a clear word like this is long overdue Dr Adrian Rogers Pastor Bellevue Baptist Church a clear and prophetic word that we must hear and heed Dr Joseph M Stowell President Moody Bible Institute With the clarion call of a prophet MacArthur points us back to something we have forgotten the value and importance of a clean conscience Greg Laurie Senior Pastor Harvest Christian Fellowship

The Way of Jesus Christ Jürgen Moltmann, 1995-08-21 The Way of Jesus Christ discusses the following topics 1 The symbol of the way embodies the aspect of process and brings out christology's alignment towards its goal This symbol can comprehend Christ's way from his birth in the Spirit and his baptism in the Spirit to his self-surrender on Golgotha It also makes it possible to understand the path of Christ as the way leading from his resurrection to his parousia the way he takes in the Spirit to Israel to the nations and into the breadth and depth of the cosmos 2 The symbol of the way makes us aware that every human christology is historically conditioned and limited Every human christology is a christology of the way not yet a christology of the home country a christology of faith not yet a christology of sight So christology is no more than the beginning of eschatology and eschatology as the Christian faith understands it is always the consummation of christology 3 Finally but not least important every way is an invitation A way is something to be followed The way of Jesus Christ is not merely a christological category It is an ethical category too Anyone who enters upon Christ's way will discover who Jesus really is and anyone who really believes in Jesus and the Christ of God will follow him along the way he himself took Christology and christopraxis find one another in the full and completed knowledge of Christ This christology links dogmatics and ethics in closer detail than in the previous volumes

The Gospel of the Christ Thomas Lewis Stegall, 2009-07 The Gospel of the Christ is a clear biblical reply to the question of what a person must believe about Jesus Christ to possess eternal life While Christianity has historically maintained that faith in Jesus Christ is essential for everlasting life this raises the vital question what is the necessary content of this faith Written against the backdrop of the controversy within Free Grace circles over the crossless gospel and the contents of saving faith Thomas Stegall goes well beyond a carefully documented analysis of his own movement The Gospel of the Christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the Christ The end result is a comprehensive biblical and theological study of Jesus Christ's person and work in the contents of saving faith
