Starmaker Milan Hain,2023-08-07 David O Selznick 1902 1965 was one of the most prominent film producers of the Hollywood studio era responsible for such artistic and commercial triumphs as King Kong David Copperfield Anna Karenina A Star Is Born Gone with the Wind Rebecca Spellbound and The Third Man However film production was not his only domain Starting in the late 1930s he built an impressive stable of stars within his own independent company including Ingrid Bergman Vivien Leigh Joan Fontaine Jennifer Jones and Gregory Peck In *Starmaker* David O Selznick and the Production of Stars in the Hollywood

Studio System author Milan Hain reveals the mechanisms by which Selznick and his collaborators discovered and promoted new stars and describes how these personalities were marketed whether for financial gain or symbolic recognition and prestige Using a wide range of archival materials the book significantly complements and reshapes our understanding of Selznick's celebrated career by focusing on heretofore neglected aspects of his creative and business activities It also sheds light on the US film industry during the Golden Age of Hollywood studios and in the postwar period when the established order began to break down By structuring the book around Selznick and his role as a starmaker Hain demonstrates that star production and development in the Hollywood studio system was a highly organized and systematic activity though the respective strategies and procedures were often hidden from the public eye *Bowker's Complete Video Directory*, 1999
