**Divine Plan - Rise to Consciousness - Volume Three of a Four-Volume Series** Michal Deschausses, Michel Nostradamus, 2011-06-01 A bold secret legend Nostradamus veiled for almost 500 years An ancient prophetic tale was secretly ciphered in aged journals of Nostradamus This hidden tale depicts life events of a 20th century family whose members exemplify the rise to consciousness in an age when testimonials and proofs of life death resurrection and interaction with divine forces are permitted and better understood The people in this family exemplify the art of undying resurrection and the story is freely told now when the forces of divine truth have overturned ignorance and murderous inquisition The ciphertext has long caused grave controversy and debate but this hidden tale has remained safely encoded for hundreds of years safe from the prying eyes of those who would make it profane Nostradamus stated that after almost 500 years of shrouded mystery an interpreter would bring his verses to true light and understanding and halt naive debate Read the hidden legend now for the very first time This is a very personal story that offers both shocking concepts and tangible proofs The accurate method of deciphering the secret journal is explained Profoundly deep truths of prophecy the magical ingenious workings of the higher mind in divine writings tangible proof of the Divine order and the Divine plan of heaven for all human life through the Law of God are among the many staggering impacts of this secret legend as it provides ample evidence of the immortal life of the Spirit More complete in thoroughness than The Bible Code this work does not offer hints at deciphered code but instead a very exact science of the ancient alchemical art of the permutation of letters and a bold hidden message to humankind     *Nostradamus* John Hogue, 1994 Interpretation of the prophecies of Nostradamus which re examines many previous interpretations and includes new revelations which shed fresh light on events of recent history World War II the Kennedy assassination conspiracies the end of the Cold War and the death of Pope John Paul I Nostradamus prophecies interpreted for the future include the Mabus engima nuclear terrorism in southern Europe in the 1990s global warming and a plague of quakes natural disasters and super quakes in the late 1990s and the appearance of the next great religious teacher around the year 2000     **Nostradamus Presages of the Divine Plan** Michal Deschausses, Michel Nostradamus, 2011-05-01 An ancient prophecy of angels demons and human resurrection A prophetic tale was secretly ciphered within the journals of Nostradamus This revealed tale depicts the life events of a 20th century family whose members exemplify the rise to consciousness in an age when testimonials and proofs of life death resurrection and interaction with divine forces are permitted and better understood Through divine intervention the people in this family undergo the art of undying resurrection in an age when the forces of divine truth overturn ignorance and defy murderous inquisition This hidden tale has remained safely encoded for hundreds of years within the mystic verses of Nostradamus First published in various almanacs from the year 1555 through 1567 the verses were later placed in a collection and called the Pr sages The encoded verses of the Pr sages cover the first part of a secret legend hidden by Nostradamus This current volume one of the four volume series portrays only the Pr sages and other volumes in the Rise to Consciousness Series including the

Sixains and the Centuries reveal the same hidden legend in greater detail Nostradamus stated that after almost 500 years of shrouded mystery an interpreter would bring his verses to true light and understanding Read the first volume of the deciphered hidden legend The profoundly deep insinuations of the truths of prophecy the magical ingenious workings of the higher mind in divine writings tangible proof of the Divine order and the Divine plan of heaven for all human life through the Law of God are among the many staggering impacts of this secret legend as it provides ample evidence of the immortal life of the Spirit More mind boggling than The Bible Code this work offers a very exact science of the ancient alchemical art of the permutation of letters with the first part of the deciphered legend bringing a boldly challenging hidden message to humankind INTRODUCTION The Pr sages in this book were written by Michel de Nostredame Nostradamus beginning in the year 1555 A D Many people have heard about the famous Centuries of Nostradamus as they have been in print for about 500 years However few people have been interested enough to discover the depth of the Pr sages of Nostradamus You are about to embark on a mystical journey wherein you will discover the intimate and very real world of how angels and demons interact with humanity God directs the course and destiny of life and what is revealed in these secret deciphered journals long buried within the Pr sages of Nostradamus will provide tangible proof of the existence of the Divine forces and their purpose in working within humans Of utmost importance in understanding the Pr sages of Nostradamus and their intended purpose is the knowledge of how this material is presented The Pr sages were originally written by Nostradamus coded into ciphertext that when read straightforward on the surface can be seen as general prophecies that were printed in almanacs from the year 1555 A D to 1567 A D There is considerable history available about these Pr sages for interested researchers However the mystical spiritual journey begins when you truly understand the full intent of all of the writings of Nostradamus the Pr sages the Sixains and the Centuries and how they were designed to support each other The prophecies in the surface verses alone serve a valid purpose In addition these writings hide the same secret ciphered legend The secret legend is encoded into the original written verses of the three mentioned writings of Nostradamus and this current work reveals the first volume of that deciphered secret legend      **The Complete Prophecies of Nostradamus** Nostradamus,2013-01-03 Here are the complete prophecies of Nostradamus Nostradamus is the best known and most accurate mystic and seer of all times There are those who say that he predicted Napoleon and even the attack on the World Trade Center Read the prophecies and judge for yourself      **The Complete Prophecies of Nostradamus. Illustrated** Nostradamus,2022-10-13 Michel de Nostredame December 1503 July 1566 was a French astrologer apothecary physician and reputed seer who is best known for his book Les Proph ties published in 1555 a collection of 942 poetic quatrains allegedly predicting future events Nostradamus s father s family had originally been Jewish but had converted to Catholic Christianity a generation before Nostradamus was born Academic sources argue that Nostradamus s predictions are characteristically vague meaning they could be applied to virtually anything and are useless for determining whether their author had any real prophetic powers

**The Complete Prophecies of Nostradamus** Michel de Notredame, Nostradamus, 1966

**The Complete Prophecies of Nostradamus** Nostradamus, Mario Reading, 2009 Best selling author Mario Reading brings together a complete new translation and an original interpretation of all the known quatrains

**The Secrets Of Nostradamus** David Ovason, 2012-05-31 Walker argues that previous translations have got it wrong because they have failed to realise that Nostradamus was writing in an esoteric language called the green language Where previous translations have seemed to stretch a point to make a quotation fit an historical event Walker reveals the prophet's true prophecies regarding the American and French revolutions the Franco Prussian First Second and Third world wars earthquakes floods the Antichrist and the end of the world Properly seen Walker argues Nostradamus is the greatest Western prophet to commit his prophecies to writing since the Old Testament

**Nostradamus** Mazar I. Sherif, 1995 M dico astr logo y adivino franc s c lebre por haber publicado las famosas Profec as una obra escrita en verso de estilo oscuro y artificioso y con contenidos enigm ticos que intentaban adivinar el futuro de Francia y del mundo hasta el a o 3797 en que se producir a el Apocalipsis Su t cnica adivinatoria se basaba en sentarse delante de un tr pode frente al cual hab a un recipiente de cristal con agua hasta que llegase en forma de llama luminosa la inspiraci n prof tica Esa obra alcanz una popularidad instant nea que lo llen de honores y distinciones En este libro se hace un pormenorizado recuento de su vida pero en particular de las predicciones aquellas que todav a hoy estremecen al mundo porque anticipan una cat strofe final que pone en duda a los incr dulos si se tiene en cuenta que muchas de las cosas que pronostic ya se han cumplido

**Three Temporal Kings** Michal Deschausses, Michel Nostradamus, 2011-04-26 Each quatrain of the Centuries of Nostradamus relates an event specific to one of three Antichrists and startling details are reinforced by vast historical research This grand light shed on messages through the divine prophet makes the entire context of the verses comprehensible with a consistent theme that relays an important message about the proven past the active present and the near future of the world This clarification of the enigmatic verse of Nostradamus is the most comprehensive bringing the first true understanding that each surface verse discusses one of three temporal kings commonly known as Antichrists What if an understanding of the past present and future with all certainty halted naive debate In an age of uncertainty about the future many people look to the wisdom of the prophets This monumental effort stimulates not only mental and emotional well being but also spiritual health People want to know how truth impacts survival in an uncertain world nearing the vastly misunderstood prophesied year of 2012 The highest difficulty remains in determining truth The past helps develop understanding of what led to current conditions Without emotional physical mental and spiritual elements to fulfill the record of history the wealth of our past and the understanding of our future remains impotent Nostradamus a divine prophet focused on revealing the spiritual and material destiny of the world in order to prepare humankind for the future and reconnection to the Divine His prophecies have been in print for approximately 500 years which is longer than any book except the Holy Bible The prophecies of Nostradamus are biblically

sound coinciding directly with the honored messages of biblical prophets from Abraham through the Apostle John Each new generation of people has continued to pour over the verses of Nostradamus seeking higher truth and understanding A critical new understanding reveals that Nostradamus prophesied and wrote specifically about three Antichrists reigning from the year 1700 2000 A D and beyond Two of these Antichrists dominated the human race culminating spiritual forces into the Third Antichrist the One who will fully incarnate the supernatural forces of Satan ultimately torturing humanity in the final war against God bringing the End of Days From the Author Newscasters know the importance of the emotional spiritual physical and mental aspects of life as they combine all of these qualities to make the news appealing to the masses The recording of history has none of the reality of these combined elements that help us understand the fullness of life Likewise the writings of Nostradamus have never been fully understood because interpreters have not been able to incorporate true wisdom which is the ability to bring forth the divine message in the fullest emotional spiritual physical and mental realities
