After a casual conversation with his neighbor on Memorial Day 2008 Joshua Becker realized he needed a change. He was spending far too much time organizing possessions, cleaning up messes, and looking for more to buy. So Joshua and his wife decided to remove the nonessential possessions from their home and life. Eventually they sold, donated, or discarded over 60 percent of what they owned. In exchange, they found a life of more freedom, more contentment, more generosity, and more opportunity to pursue the things that mattered most. The *More of Less* delivers an empowering plan for living more by owning less. With practical suggestions and encouragement to personalize your own minimalist style, Joshua Becker shows you why minimizing possessions is the best way to maximize life. Are you ready for less cleaning, less anxiety, and less stress in your life? Simplicity isn't as complicated as you think. *Lose Weight, the Right Way* Paul MCCUSKER, 2020-10-02
