Protestant Christianity and the Construction of the Fat Body explores how Protestant Christianity contributes to the moralization of fat bodies and the proliferation of practices to conform fat bodies to thin ideals Focusing primarily on Protestant Christianity and evangelicalism this book brings together essays that emphasize the role of religion in the ways that we imagine talk about and moralize fat bodies Contributors explore how ideas about indulgence and restraint sin and obedience are used to create and maintain fear of and animosity towards fat bodies They also examine how religious ideology and language shape attitudes towards bodily control that not only permeate Christian weight loss programs but are

fundamental to secular diet culture as well Furthermore the contributors investigate how religious institutions themselves attempt to define and control the proper religious body This volume contributes to the burgeoning field of critical fat studies by underscoring the significance of religion in the formation of historical and contemporary meanings and perceptions of fat bodies including its moralizing role in justifying weight bias prejudice and privilege The chapters in this book were originally published as a special issue of *Fat Studies An Interdisciplinary Journal of Body Weight and Society*

A Light in a Burning-Glass Robert Boak Slocum, 2019-09-27 *A Light in a Burning Glass* introduces readers to the distinctive synthesis of theological reflection and everyday faith that characterizes the life and theology of Austin Farrer 1904 1968 a man widely considered to be the most important Anglican theologian of the twentieth century Often quoted for isolated insights but rarely appreciated for his depth and coherency Farrer is a theologian who according to Robert Boak Slocum is fascinating to consider but difficult to master In this survey and explanation of the Anglican leader's prodigious output and complexity of thought Slocum sorts through Farrer's many writings to articulate his theological vision Slocum delves into Farrer's treatises essays lectures correspondence and reviews in an exploration of his three primary areas of theological concern pastoral biblical and philosophical Noting that few theologians have published so many significant works in such varied areas of theological study Slocum maps the connectedness of thought that unites Farrer's works Slocum moves from a basic study of Farrer's background and methodology to a consideration of his major themes Christian hope the problem of evil the role of image and imagination in Christian faith the use of literary methods in the interpretation of theology and the interplay of divine action and human freedom in the Christian life
