**Learn to Lose A LITTLE to GAIN MUCH MORE IN RETURN** Pierre Fenelon,2025-08-06 The Bible teaches us that life is a journey there is a beginning and certainly there is an ending In this life s journey for everyone the pathways seem different and sometimes the journey itself becomes a struggle and different as we go along It was not supposed to be that way something had happened unfortunately which made everything change both in the visible and in the invisible about this life For each generation since the beginning of human existence we have seen people being born and people who were dying not in a specific time only but also of all ages We seem to understand the paradigm of birth among humanity because in many ways it propels the idea of living of something to look forward to and it raises up our hopes our expectations throughout the journey but we still grapple with the mystery of death and it scares us a lot because generally its effect has left us with unanswered questions In this book Learn to lose a little to gain much more in return Understand the law of reciprocity The author intends to remove any doubt you might have concerning life itself and of course concerning the mystery of death There is not going to be a formula that can take away your struggles but this book will help you understand your struggles and help you with some principles to know how to navigate through life in spite of all the struggles it brings For everyone the journey may have been different when it began and along the way life may have been totally unfair but the destination can be rewarding if each individual seeks to apply God s principles of this life s journey The struggles the chaos of this life at last will not bother anybody anymore once you reach that glorious destination The fact is we all can get there safely but only if each one of us meets the requirements Would you like to go there Aren t you curious to know how to get there Come start reading the book right away to find out
