The Lost Country J. R. Salamanca, 2011-12-05 The lost country is the familiar country of innocence and security known as youth a country we have all known and which occasionally in a book like this one we are able to rediscover J R Salamanca's The Lost Country is the story of a boy Jim Blackstarr who grows up on a farm in Virginia As a child he delights in the beauty that surrounds him the rivers and hills and trees the seasons of the year all the shapes and textures and patterns of his world But as he grows older he makes other discoveries He experiences brutality passion fear and shame These experiences destroy the simplicity of his early relationships they complicate and darken his later ones Ultimately they drive him as they drive all men out of and away from the country of his youth
