

THE LOST SISTERHOOD

Prostitution in America, 1900-1918

by RUTH ROSEN

Lost Sisterhood Prostitution In America 1900 1918

Allan M. Brandt

Lost Sisterhood Prostitution In America 1900 1918:

The Lost Sisterhood Ruth Rosen,1982 Written by the historical editor of the highly acclaimed Maimie Papers The Lost Sisterhood describes both the women who chose prostitution as a career and the middle class reformers who sought to eradicate prostitution from the landscape of urban America What these women thought how they felt and where they fit into a rapidly changing society combine in this richly textured description of a neglected aspect of women s history one that also illuminates the origins of contemporary attitudes toward both prostitution and women in general **Kate Chopin, Edith**

Wharton and Charlotte Perkins Gilman Janet Beer,2016-07-27 A wide range of short fiction by Kate Chopin Edith Wharton and Charlotte Perkins Gilman is the focus for this study examining both genre and theme Chopin s short stories Wharton s novellas Chopin s frankly erotic writing and the homilies in which Gilman warns of the dangers of the sexually transmitted disease are compared There are also essays on ethnicity in the work of Chopin Wharton s New England stories Gilman s innovative use of genre and The Yellow Wallpaper on film All three writers are still popular in US classrooms in particular This paperback edition includes a new Preface to the material providing a useful update on recent scholarship

Trafficked Children and Youth in the United States Elzbieta M. Gozdzia,2016-05-10 Trafficked children are portrayed by the media and even by child welfare specialists as hapless victims who are forced to migrate from a poor country to the United States where they serve as sex slaves But as Elzbieta M Gozdzia reveals in Trafficked Children in the United States the picture is far more complex Basing her observations on research with 140 children most of them girls from countries all over the globe Gozdzia debunks many myths and uncovers the realities of the captivity rescue and rehabilitation of trafficked children She shows for instance that none of the girls and boys portrayed in this book were kidnapped or physically forced to accompany their traffickers In many instances parents or smugglers paid by family members brought the girls to the U S Without exception the girls and boys in this study believed they were coming to the States to find employment and in some cases educational opportunities Following them from the time they were trafficked to their years as young adults Gozdzia gives the children a voice so they can offer their own perspective on rebuilding their lives getting jobs learning English developing friendships and finding love Gozdzia looks too at how the children s perspectives compare to the ideas of child welfare programs noting that the children focus on survival techniques while the institutions focus not helpfully on vulnerability and pathology Gozdzia concludes that the services provided by institutions are in effect a one size fits all trauma based model one that ignores the diversity of experience among trafficked children Breaking new ground Trafficked Children in the United States offers a fresh take on what matters most to these young people as they rebuild their lives in America **Human Bondage and Abolition** Elizabeth Swanson Goldberg,James Brewer Stewart,2018-08-23 Exposes the historical roots of modern day slavery using lessons from the past to empower activism against such exploitation everywhere **No Magic Bullet** Allan M. Brandt,2020-06-19 From Victorian anxieties about

syphilis to the current hysteria over herpes and AIDS the history of venereal disease in America forces us to examine social attitudes as well as purely medical concerns In *No Magic Bullet* Allan M Brandt recounts the various medical military and public health responses that have arisen over the years a broad spectrum that ranges from the incarceration of prostitutes during World War I to the establishment of required premarital blood tests Brandt demonstrates that Americans concerns about venereal disease have centered around a set of social and cultural values related to sexuality gender ethnicity and class At the heart of our efforts to combat these infections he argues has been the tendency to view venereal disease as both a punishment for sexual misconduct and an index of social decay This tension between medical and moral approaches has significantly impeded efforts to develop magic bullets drugs that would rid us of the disease as well as effective policies for controlling the infections spread In this 35th anniversary edition of *No Magic Bullet* Brandt reflects on recent scholarship the persistence of sexually transmitted diseases and the trajectory of the HIV epidemic as they have informed contemporary conceptions of biomedicine and global health

Health and Wellness in 19th-Century America John C.

Waller, 2014-08-11 This book provides a comprehensive description of what being sick and receiving medical care was like in 19th century America allowing modern readers to truly appreciate the scale of the improvements in healthcare theory and practice *Health and Wellness in 19th Century America* covers a period of dramatic change in the United States by examining our changing understanding of the nature of the disease burden the increasing size of the nation and our conceptions of sickness and health With topics ranging from the unsanitary tenements of New York s Five Points the field hospitals of the Civil War and to the laboratories of Johns Hopkins Medical School author John C Waller reveals a complex picture of tradition discovery innovation and occasional spectacular success This book draws upon an extensive literature to document sickness and wellness in environments like rural homesteads urban East coast slums and the hastily built cities of the West It provides a fascinating historical examination of a century in which Americans made giant strides in understanding disease yet also clung to traditional methods and ideas charting how U S medical science gradually transformed from being a backwater to a world leader in the field

Breaking the Gender Code Georgina Hickey, 2023-12-12 A history of the activism that made public spaces in American cities more accessible to women From the closing years of the nineteenth century women received subtle and not so subtle messages that they shouldn t be in public Or if they were that they were not safe *Breaking the Gender Code* tells the story of both this danger narrative and the resistance to it Historian Georgina Hickey investigates challenges to the code of urban gender segregation in the twentieth century focusing on organized advocacy to make the public spaces of American cities accessible to women She traces waves of activism from the Progressive Era with its calls for public restrooms safe and accessible transportation and public accommodations through and beyond second wave feminism and its focus on the creation of alternative women only spaces and extensive anti violence efforts In doing so Hickey explores how gender segregation intertwined with other systems of social control as well as how class race and sexuality shaped

activists agendas and women s experiences of urban space Drawing connections between the vulnerability of women in public spaces real and presumed and contemporary debates surrounding rape culture bathroom bills and domestic violence Hickey unveils both the strikingly successful and the incomplete initiatives of activists who worked to open up public space to women

Reforming America Jeffrey A. Johnson,2017-03-20 Presenting a detailed look at the individuals themes and moments that shaped this important Progressive Era in American history this valuable reference spans 25 years of reform and provides multidisciplinary insights into the period During the Progressive Era influential thinkers and activists made efforts to improve U S society through reforms both legislative and social on issues of the day such as working conditions of laborers business monopolies political corruption and vast concentrations of wealth in the hands of a few Many Progressives hoped for and tirelessly worked toward a day when all Americans could take full advantage of the economic and social opportunities promised by U S society This two volume work traces the issues events and individuals of the Progressive Era from approximately 1893 to 1920 The entries and primary sources in this set are grouped thematically and cover a broad range of topics regarding reform and innovation across the period with special attention paid to important topics of race class and gender reform and reformers The volumes are helpfully organized under five categories work and economic life social and political life cultural and religious life science literature and the arts and sports and popular culture

The Sexual Contract Carole Pateman,2018-06-05 Carole Pateman is one of the foremost political theorists writing in English today In this outstanding new work she presents a major reinterpretation of modern political theory She shows how standard discussions of social contract theory tell only half the story The sexual contract which establishes modern patriarchy and the political right of men over women is never mentioned In a wide ranging and scholarly discussion Pateman examines the significance of the political fictions of the original contract and the slave contract She also offers a sweeping challenge to conventional understandings of both left and right of actual contracts in everyday life the marriage contract the employment contract the prostitution contract and the new surrogacy contract By bringing a feminist perspective to bear on the contradictions and paradoxes surrounding women and contract and the relation between the sexes she is able to shed new light on the fundamental problems of freedom and subordination The Sexual Contract will become a classic text in the politics of gender and will be of major interest to students of social and political theory and philosophy women s studies sociology and jurisprudence

Ideas and Movements That Shaped America Michael Green,Scott L. Stabler,2015-07-28 America was founded on bold ideas and beliefs This book examines the ideas and movements that shaped our nation presenting thorough accessible entries with sources that improve readers understanding of the American experience Presenting accessibly written information for general audiences as well as students and researchers this three volume work examines the evolution of American society and thought from the nation s beginnings to the 21st century It covers the seminal ideas and social movements that define who we are as Americans from the ideas that underpin the Bill of Rights to

slavery the Civil Rights movement and the idea of gay rights even if U S citizens often strongly disagree on these topics Organized topically rather than chronologically this encyclopedia combines primary sources and secondary works or historical analyses with text describing the ideas and movements in question In addition each entry includes a list of suggestions for further reading that directs readers to supplementary sources of information The set s unique perspective serves to depict how American society has evolved from the nation s beginnings to the present revealing how Americans as a people have acted and responded to key ideas and movements

FAQs About Lost Sisterhood Prostitution In America 1900 1918 Books

What is a Lost Sisterhood Prostitution In America 1900 1918 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Lost Sisterhood Prostitution In America 1900 1918 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Lost Sisterhood Prostitution In America 1900 1918 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Lost Sisterhood Prostitution In America 1900 1918 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Lost Sisterhood Prostitution In America 1900 1918 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
