Kettler, 2005-09-01 How does one deal with doubt Are faith and doubt irreconcilable Does one's understanding of God affect the answers to these questions Christian Kettler investigates these questions from a christological perspective drawing implications from the Scottish theologian T F Torrance and his doctrine of the vicarious humanity of Christ If we take the humanity of Christ seriously should we not speak of the faith of Jesus as a vicarious faith believing for us and in our place when it is difficult if not impossible to believe How Christians know God Jesus Knows God for Us and in Our Place who God is Who is the God Whom Jesus Knows and how to believe in God in a world of suffering and evil Providence Evil Suffering and the God Who Believes receive new insight in light of this christological exploration Wendell Berry's poignant novel of a humble country barber Jayber Crow adds an incarnational context to a discussion with important pastoral and existential dimensions In the vicarious faith of Christ we are not left as James Torrance cautions us to be thrown back upon ourselves but called to participate by the Spirit in the faith of Jesus      *The Fetishists* Ibrahim al-Koni, 2019-01-04 *The Fetishists* originally published in Arabic as *Al Majus* is considered the masterpiece of Ibrahim al Koni one of the most prolific and important writers in Arabic today In *The Fetishists* Al Koni explores what happens when a writer asks the novel to speak of and for the Sahara when rival cultures clash and when communities seek to build a utopia on Earth as individuals struggle between a desire for material well being represented by gold dust and a need for spiritual meaning As the story opens Sultan Oragh of Timbuktu who has already lost most of his power to Fetishist Bambara leaders of the forestlands fears he will lose his only daughter Tenere as a human sacrifice to

their god Amnay The sultan sends Tenere to seek refuge with fellow Tuareg nomads in the plain But even in their traditional nomadic community a competition rages between jihadi militant Islam moderate Anhi Islam which is the ancient Tuareg Law and the cults of gold dust and of traditional African folk religions In this epic novel Al Koni blends Tuareg folklore and history with intense fond descriptions of daily life in the desert creating a mirror for life anywhere Through its tragic rendering of a clash between the Tuareg and traditional African civilizations the novel profoundly probes the contradictions of the human soul as it takes the reader on a unique spiritual adventure inside the Tuareg world     Unknown No More Joanne Dearcopp,Christine Hill Smith,2021-07-29 Thanks in part to the Ken Burns documentary The Dust Bowl Sanora Babb is perhaps best known today for her novel Whose Names Are Unknown 2004 which might have been published in 1939 had her publisher not thought the market too small for two Dust Bowl novels hers and Steinbeck s The Grapes of Wrath Into the twenty first century Babb wrote and published lyrical prose and poetry that revealed her prescient ideas about gender race and the environment The essays collected in Unknown No More recover and analyze her previously unrecognized contributions to American letters Editors Joanne Dearcopp and Christine Hill Smith have assembled a group of distinguished scholars who for the first time in book length form explore the life and work of Sanora Babb This collection of pathbreaking essays addresses Babb s position within the literature of the Great Plains and American West her leftist political odyssey as a card carrying Communist who ultimately broke with the Party and her ecofeminist leanings as reflected in the environmental themes she explored in her fiction and nonfiction With literary sensibilities reminiscent of Willa Cather Ralph Ellison and Meridel LeSueur Babb s work revealed gender based environmental and working class injustices from the Depression era to the late twentieth century No longer unknown Sanora Babb s life and work form a prism through which the peril and promise of twentieth century America may be seen     **The New Earth Reader** David Rothenberg,Marta Ulvaeus,1999 This is a collection of the best essays stories and interviews from Terra Nova the cutting edge literary journal It explores the complex and multifarious ways humanity is loose in the natural world Find out who really wrote the famous Chief Seattle speech Read why Jaron Lanier wants to turn us all into giant squid so we can talk to one another without language Rick Bass travels to the country with the most grizzly bears per square mile Romania Gary Nabhan dreams of raven stew Val Plumwood is half swallowed by a crocodile and lives to tell the tale and affirm her vegetarianism Charles Bowden enters Tuna Country in Mexico and struggles to find his way back across the border Ray Isle fights with a wild turkey see who wins And find out why filmmaker Errol Morris thinks that human dreamers are the most endangered species around     The Vermont Encyclopedia John J. **Internet Joke Book** Keith Evans,2000-09-21 The Internet Joke Book is filled with short jokes witty humor and bizarre stories that were gathered from around the United States and abroad via the Internet and other sources as well from friends and family I should also point out before going any further that much of the credit for this book should go to my daughter If not for her giving me the idea and placing my other two books on hold a book of this make up may have never existed Beyond the books jacket you will run across page after humorous page of sidesplitting witticisms They are of old and new nevertheless the old still being very hilarious and the new even more uproarious after all we have until now not read them Various contents of the Internet Joke Book may not be suitable for younger readers This book was not tailor made for the juvenile reader however this book as any book of this nature should rest in the judgement of the parent I myself being a single parent would not recommend that the contents of this book be disclosed to any teenager under the age of seventeen or either the adult contents be block out by the parent or guardian Nevertheless there may be parents who chose to allow their children as young as fifteen and sixteen to take in the contents of this book again this is not recommended by the author I can only hope my readers enjoy and have as much fun with this book as we did gathering and putting it together Once my daughter had told our friends neighbors and relatives of what we were doing we had more help than we could handle We are now working on a second book The Internet Joke Book Volume Two which will consist of much more and newer witticisms I hope all will appreciate the first book and be patient enough to wait and read the second
