Low-Back, Ladder-Back, Cane-Bottom Chair James S. Lowry, 2013-12-03 Biblical texts are the springboards for proclaiming the Good news For Rev James S Lowry these springboards lead to recollections from life and ministry that make the Gospel come alive in a special way Memories of two very different churches shed light on Mary's Magnificat the funeral of dissolute ne'er-do-well Tex Malone provides a surprising context for that most famous of verses John 3:16 a misspelled word becomes a fountain of grace for an entire congregation and the low back ladder back cane bottom chair with the legs cut off just so to accommodate Lowry's diminutive childhood caregiver Bessie Grier calls forth the God who guarded that daughter of slaves and who now guards the adult Lowry as he prepares to face each day *The Price of a Gift* Gerald Mohatt, Joseph Eagle Elk, 2002-10-01 Joseph Eagle Elk 1931-91 was an effective and highly respected traditional Lakota healer He practiced

for nearly thirty years treating serious physical and mental illnesses among the people of the Rosebud Reservation and elsewhere In 1990 he began collaborating on his memoir with Gerald Mohatt a close friend and cross cultural psychologist Eagle Elk s story of his life practice and beliefs provides a uniquely introspective demystified and informative look at the career of a traditional Native American healer We learn how a persistent vision and recurring visits by thunder spirits led Eagle Elk long ago to become a healer On a more general level we gain valuable insights into how Lakota healers practice today Eagle Elk s story and teachings also demonstrate the importance of community support and consensus in the development of traditional healers Gerald Mohatt s perspective as a cross cultural psychologist enables him to highlight the psychological dimensions and efficacy of Eagle Elk s healings and place them within a cross cultural context Eagle Elk s life and career are presented in a way that brings together formative episodes from his life selected teachings that emerged from those experiences and case studies in healing This arrangement allows readers to grasp the close relationship between the personal and cultural dimensions of traditional healing and to understand how and why this practice continues to affect and help others
