The Earth Speaks Bob Miller, 2006-06-15 The Earth Speaks to you Her name is Suzanne Well that will do for now Suzanne is the rich tapestry of life on this planet She assumes the person and voice of a variety of beings to show you how rich the tapestry is and that you are a part of it You can contemplate the passersby in a mall over a cup of coffee and you can be a small crab marveling at another day of life in the salt marsh You can be much more This suggests a responsibility for protecting life but it is also a joy in your own richness It is yourself that you see around you Visit bob333 home att net
