Stiles, 2021-03-31 Exceptional J.L. Stiles has a way of drawing you in so that you won't be able to put this book down A definite must read reader K.T. Joanna Barrett has lived two lives The one before tragedy stole her husband and the one after IF you call 18 hour days way too much alcohol and random hook ups a life When a routine night out goes horribly wrong Jo is forced to take stock of her bleak reality With the help of her best friend Tim and a budding new relationship with a work colleague Jo's life finally seems to be going right for once That is until the one person she hoped to never see again suddenly steps back into view Long buried truths are finally unearthed Precarious relationships splinter while others mend And Jo has the chance to find out which of her two lives is worth living Will she take that chance or will she let the truth continue to keep her from coming back alive **Obsessive Images** Joseph Warren Beach, 1960 *Obsessive Images* was first published in 1960

Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions As Mark Schorer comments this is the last unfinished work of a distinguished well loved critic poet and professor After the death of Joseph Warren Beach his colleague and friend William Van O'Connor professor of English at the University of Minnesota prepared the unfinished manuscript of this work for publication and wrote the foreword The work is primarily a study of certain words phrases and images that turn up with unusual frequency in modern American poetry especially that of the decades of the 1930's and 1940's and which are used in unusual senses to carry special symbolisms or to imply peculiar philosophical attitudes Since the study is concerned with such recurring images and themes many poets of distinction in whose work they are not to be found are left out but Professor Beach also discusses the significance of the absence of these poets Students and critics will gain insight through this work into the characteristic attitudes of a generation of poets The book is moreover a delight to read reflecting as it does Mr Beach's own love for the study of poetry As Professor O'Connor points out the tone is much more personal than that of Mr Beach's other books **Islands Magazine**, 1997-11 **Life in St-Lucia** Shedrac Decaille, 2005-10-18 There was only one way this book could be written I had to go undercover and pose as a redneck At any moment my cover could have been blown placing my life in danger At the very least my Bloomingdale's credit card could have been confiscated and my complete collection of Barry Manilow CDs destroyed In spite of these risks I persevered It was only after I made my way back to Yankee lines that I

was able to write this book I still suffer from episodes of Post Traumatic Stress Syndrome in which I am chased by a giant killer crawfish Hopefully therapy medication and a liberal amount of Jack Daniel s will erase that demon from my subconscious
