My Journey Poems And Reflections:

My Journey Victor Shin Yee, M.D., F.A.C.S.,1998-02-01 *The Journey Reflections of a Time Before* James Lagoski,2011-03-26 While preparing this book for publication I really began to think of just how much The Journey became my purpose When I first started writing poetry around 15 years ago I was simply trying to find a way to describe the emotions that were consuming me within at the time My friend of 22 years committed suicide on Nov 18 1993 After writing poems afterwards for a couple years I had decided to create a 100 page book in order to keep a promise I d made to Bill that his name would live on far past his death Today this book marks the 10th edition since that first book Follow Your Dreams Someday They Will Come True James Lagoski **Poems from the Heart: Reflections on Life Love & Loss** Boitshoko Sebogodi,2011-07-05 Poems from the heart is a descriptive narration about life love and loss The author reflects on these issues on a personal and generic glance through poetry The poems are diverse and thus cater for different audience The work of this South African writer demonstrates versatility portrayed through out this book Though some poems are fictional a lot of poems in this book are authentic and based on her experience in various aspects of life and her surroundings She reflects on death bereavement love childhood memories some poems are spiritual some are self reflective and others a pure admiration of nature The author writes with intense emotions of sorrow harmony love disappointment and self introspect and affirmation The Journey Ahead or Behind James Lagoski,2005-01-25 Most of the poems within this second chapter of The Journey series were written between 1996 1998 My style and technique as well as my ability to deliver some sort of a message was starting to develop This would have been the time period when I was first introduced to the Internet and the ability to have readers other than just family and friends A real audience to see what type of actual reactions do others have towards my thoughts The comments about how my poetry was really connecting with people just astounded me These poems are left written in a simple and basic manner so that they relate to readers of both young and mature audiences I want teenagers to enjoy it as well as the older generations so I try to keep the word interpretation at a fairly easy and understandable level This is something that I still try to maintain in my writing today I hope you enjoy these reflections of life that I offer to all and are enhanced by a few of them **Poems of Reflection: 15 Years of Guilt** Julie Kerr Rasley,2015-05-22 This poetry book contains twenty seven poems describing my life s journey stuck in the quicksand and some important lessons I learned along the way *Walking Through Rain* John Martin Pryde,2021-03-05 In Walking Through Rain the author John Martin Pryde shares his experiences of his life journey The poetry together with each reflection takes the reader on a voyage through childhood and adult experiences and explains the impact that childhood abuse has had in shaping and challenging his life experiences as both a child and as an adult His story serves as a backdrop for the discussion of a serious issue which has impacted millions of people across all countries and cultures Pryde takes the crime of abuse and offers a personal insight into coping and managing the issue as a victim He offers strategies which have

worked for himself and shows how poetry can be a sanctuary and a form of comfort to heal and cope with pain The book concludes by acknowledging the love and support he has received from family and the important role they have played in his healing
