faithful employee George Monty has tried to live a good life but his father's deeds haunt him And with each passing day he's finding it more difficult to fight against the blood that runs through his veins *What She Doesn't Know* Pamela Crane,2023-11-25 When her estranged husband shows up on her doorstep Ginger Mallowan thinks she's finally getting her happily ever after until he disappears and a deadly threat surfaces Rick Mallowan had never been the type of father to play catch with his sons Or the kind of husband to stick around But when he shows up begging for another chance to win Ginger's long retired heart she can't deny her first love He's proven he's a changed man and it feels like a dream come true But a nightmare begins when he vanishes and someone is seeking revenge Unlike Rick's previous disappearing acts this time he leaves behind a trail of terrifying clues Cryptic notes exposing secrets that put a target on her back Bullets aimed at her in a deadly warning Someone close to her abducted without a trace Despite the missing years and unanswered questions nothing can scare Ginger away from digging into the past to catch a killer even if it costs her heart breaking all over again As the search dredges up traumatic memories along with shocking clues from the 1970s will flower power be enough to uncover The Who behind the death threats While the truth might be dangerous what she doesn't know might kill her Court of the Undying Seasons A.M. Strickland,2023-05-16 Sarah J Maas meets A Deadly Education in A M Strickland's lush queer YA dark fantasy novel In becoming a vampire I'm less than a girl And more Or maybe I'm becoming what I always have been deep inside A blade When nineteen year old Fin volunteers to take her secret love's place in their village's Finding she is terrified Those who are chosen at the Finding are whisked away to Castle Courtsheart a vampire school where human students either succeed and become vampires fail and spend the rest of their lives as human thralls or they don't survive long enough to become either Fin is determined to forge a different path learn how to kill the undead and get revenge for her mother who was taken by the vampires years ago But Courtsheart is as captivating as it is deadly and Fin is quickly swept up in her new world and its inhabitants particularly Gavron her handsome and hostile vampire maker whose blood is nothing short of intoxicating As Fin begins to discover new aspects of her own identity and test her newfound powers she stumbles across a string of murders that may be connected to a larger ritual one with potentially lethal consequences for vampires and humans alike Fin must uncover the truth and find the killer before she loses her life or betrays her own heart Court of the Undying Seasons is a deliciously dark romantic novel and a pitch perfect modern take on classic vampire tropes With brutal romance vicious stakes and a twisty mystery Court of The Undying Seasons takes everything we love about vampires and cranks it to a whole new level Hannah Whitten author of For the Wolf and For the Throne Library Journal ,1973-07 **What She Doesn't Know** Beverly Barton,2011-04-01 A thrilling novel of romantic suspense from the New York Times bestselling author of As Good as Dead She kept me guessing to the very end Linda Howard Twenty years ago Jolie Royale was critically wounded during a shooting that left her mother her aunt and her aunt's suspected lover dead The case was ruled a double homicide and suicide and quickly closed though rumors abounded as to the murderer's real identity Jolie would never forget

that day but she could never recall the killer's face And now she is coming home to Mississippi for her father's funeral Her mixed feelings turn into dread when the investigation into the triple murder is reopened and it becomes clear as day that a killer is still on the loose Determined to put the past to rest Jolie turns to Max Devereaux for help Years ago he made no secret of his resentment toward her family but it seems many things have changed including Jolie's feelings for her unlikely ally Now as she and Max work together to put back the lost pieces of her memories the striking distance between her and the killer closes Someone can't wait for Jolie to remember his face because by then it will be too late With its sultry Southern setting and well drawn characters this richly textured tale ranks among the best the genre has to offer Publishers Weekly
