My Kind Of Town:

My Kind of Town John Sandrolini, 2016-11-15 In the thrilling sequel to *One for Our Baby* the Chicago mob is looking for Al Capone's lost treasure and former ace fighter pilot Joe Bonomo holds the key to finding it When Joe Bonomo returned from World War II he chose to settle in California rather than go back home to Chicago and he didn't plan on revisiting his old stomping grounds any time soon But when Frank Sinatra asks you to fly him to the Windy City for a gig you don't refuse And so reluctantly Joe finds himself strolling down memory lane and rekindling relationships with his estranged family But where Joe goes trouble tends to follow Rumor has it that a man named Butch O'Hare was in charge of hiding Al Capone's fortune but Butch is long dead and warring mob bosses seem to believe his old war buddy Joe knows more than he's letting on Joe is forced to join the ridiculous quest to find the gold but the more the search of Chicago's seedy underground drags on the more Joe thinks the treasure might not be a myth after all and he may be the only one who can uncover the truth For fans of historical fiction action and noir *My Kind of Town* is a hardboiled crime thriller that captures the beat of Chicago in the sixties complete with gangsters hot dogs and bocce

My Kind of Christmas Janet Dailey, 2018-09-25. A delightful annual tradition. RT Book Reviews. Sometimes the best surprises are right at home. Returning to Branding Iron, Texas, is Travis Morgan's last resort, and the abandoned ranch he inherited isn't much more welcoming than the prison cell where he spent the last three years doing time for a tragic accident. Completely without funds or family, Travis finds celebrating Christmas is the last thing on his mind, but there's no escaping the holiday spirit in this close-knit little town, not with Branding Iron's longtime Santa retiring and sweetly stubborn Mayor Maggie Delaney determined to find a replacement. When her nonsense facade slips to reveal the sensual, vulnerable woman beneath it, Travis realizes Maggie just might be as lonely as he is, and that this holiday season love could be the gift that heals them both. The spirit of Christmas permeates this charming holiday romance.

My Kind of Country Carl Carmer, 1995-06-01. This book is really a best of as chosen by the author himself. These are Carmer's favorite pieces drawn from three decades of work. He mixes leisurely reminiscences with folklore, verse, and portraits of Upstate's diverse population. Geographically, they range from Niagara Falls to Montauk Point and include pieces on the fate of Native Americans, ghost stories, tall stories, character sketches, a piece on the erosion of New York State's natural beauty, as well as poems and works of wit and humor.

My Kind of Monster Lilith Roman, 1900. I wanted to give in to the hunger. Niklas Bergman stalked in the shadows of the silent woods, a depraved hunter, and I am his prey. I traded one captor that broke my body and soul for one that threatens to break not only my heart but the walls that contain the darkness that lives inside of me. He is a beautiful monster, everything I searched for before my capture, the only one that understands my secrets, and I fear my heart and mind will not survive him. I am a monster, I am a monster, I was a monster. Suki Knox hides a legacy of blood, and I will drown her in it myself if that's what she needs to embrace it. I wanted to use her, no limits, consequences, or remorse, but when I set my eyes on her, broken and abused, her enemy became mine. Now I can't let her go, not until I break her open. Her darkness calls to mine, her demons

The affective city Stefano Catucci,Federico De Matteis,2022-01-21 Cities are not made only of stone they harbor ways of life practices movements moods atmospheres feelings Yet the ineffable nature of affects has long deprived human passions of a meaningful role when it comes to observing urban space and envisioning its future transformation With this book we explore the contemporary city and its transitional conditions from a different perspective a quest to understand how the space of collective life and the feelings this engenders are connected how they mutually give form to each other In an interdisciplinary collection of essays The Affective City means to open a discussion on the soft presences animating the world of urban objects beyond the city built out of mere things this book s focus is on the forces that make urban life emerge thrive

flourish but also wither and sometimes die A task crucial for the survival of cities as human habitats in an urban world that with every passing day seems to draw closer a crisis
