My Life in Art Constantin Stanislavski, 2013-12-04 Written with the same warmth liveliness and ability to re create reality that made Stanislavski a great actor his autobiography tells of his childhood in the world of Moscow s wealthy merchants his successes and failures as an amateur actor how he studied human beings and developed what has come to be known as the Stanislavski Method how his group of dedicated amateurs became perhaps the greatest acting group the world has ever known Washington Post The Moscow Art Theatre *My Life in Art* Constantin Stanislavsky, 2022-08-31 In his outstanding autobiography Konstantin Stanislavsky reveals his own ideas and experience The theatre is the finest medium of intercourse between nations It reveals their most cherished aspirations If only these aspirations were revealed more often the nations would shake hands and lift their caps instead of training guns on each other Konstantin Stanislavsky This wise and delightful book is packed with sage practical counsel to actors and actresses The Times Literary Supplement A great figure upon the world scene one of the greatest men of the theatre that ever lived New York Herald Tribune It was a source of great enlightenment to me Sir Laurence Olivier Print ed *My Life in Art* Konstantin Stanislavski, 2018-05-08 Konstantin Stanislavski was a Russian director who transformed theatre in the West with his contributions to the birth of Realist theatre and his unprecedented approach to teaching acting He lived through extraordinary times and his unique contribution to the arts still endures in the twenty first century He established the Moscow Art Theatre in 1898 with among other plays the premiere of Chekhov s *The Seagull* He also survived revolutions lost his fortune found wide fame in America and lived in internal exile under Stalin s Soviet Union Before writing his classic manual on acting Stanislavski began writing an autobiography that he hoped would both chronicle his rich and tumultuous life and serve as a justification of his aesthetic philosophy But when the project grew to impossible lengths his publisher Little Brown insisted on many cuts and changes to keep it to its deadline and to a manageable length The result was a version published in English in 1924 which Stanislavski hated and completely revised for a Soviet edition that came out in 1926 Now for the first time translator Jean Benedetti brings us Stanislavski s complete unabridged autobiography as the author himself wanted it from the re edited 1926 version The text in clear and lively English is supplemented by a wealth of photos and illustrations many previously unpublished
