My Moby Dick:

My Moby Dick William Humphrey,1979 *Moby Dick* Herman Melville,1902 Moby-Dick Herman Melville,2009-06-16 This American masterpiece is a profound inquiry into character faith and the nature of perception and is now available in a Penguin enriched eBook classic **MOBY-DICK; or, THE WHALE** Herman Melville,2023-05-02 Call me Ishmael Some years ago never mind how long precisely having little or no money in my purse and nothing particular to interest me on shore I thought I would sail about a little and see the watery part of the world It is a way I have of driving off the spleen and regulating the circulation Whenever I find myself growing grim about the mouth whenever it is a damp drizzly November in my soul whenever I find myself involuntarily pausing before coffin warehouses and bringing up the rear of every funeral I meet and especially whenever my hypos get such an upper hand of me that it requires a strong moral principle to prevent me from deliberately stepping into the street and methodically knocking people s hats off then I account it high time to get to sea as soon as I can This is my substitute for pistol and ball With a philosophical flourish Cato throws himself upon his sword I quietly take to the ship There is nothing surprising in this If they but knew it almost all men in their degree some time or other cherish very nearly the same feelings towards the ocean with me **Call Me Ishmael** Patrick Shea,2012-07-09 In the summer of 2008 Brooklyn elementary school teacher and musician Patrick Shea set two goals for himself to read Moby Dick and to write a song every day for two months Those two goals quickly merged to become to beginning of the Call Me Ishmael project Three years later Shea had written recorded and blogged about all 135 chapters of Moby Dick plus the epilogue This book contains the lyrics to all 136 songs from the project The book also includes an introduction to the project as a whole and an afterword for each volume of songs written by the author Patrick Shea s songs are deeply insightful responses to Melville s masterpiece They illuminate the power of Moby Dick and enrich our experience of that remarkable novel Shea understands that at its heart Moby Dick is an orchestral work Its chords resonate throughout Shea s lyrics Bill Kelly President of the CUNY Graduate Center **See It Feelingly** Ralph James Savarese,2018-10-26 Ralph James Savarese showcases the voices of autistic readers by sharing their unique insights into literature and their sensory experiences of the world thereby challenging common claims that people with autism have a limited ability to understand language to partake in imaginative play and to generate the complex theory of mind necessary to appreciate literature **MOBY DICK Or, the WHALE** Herman MELVILLE,2019-10-10 Moby Dick is a story narrated by a sailor named Ishmael who together with his friend Queequeg go on a three year expedition to hunt sperm whales on board a ship named Pequod Captain Ahab the commander of Pequod however is on a revenge quest to hunt the famous White Whale called Moby Dick that took one of his legs in one of his previous voyages In his narration Ishmael gives a detailed account of whale hunting and extracting whale oil as well as life aboard ship and Pequod s final voyage across the Atlantic and to the Pacific Ocean where they encounter Moby Dick Call me Ishmael Some years ago never mind how long precisely having little or no money in my

purse and nothing particular to interest me on shore I thought I would sail about a little and see the watery part of the world It is a way I have of driving off the spleen and regulating the circulation Whenever I find myself growing grim about the mouth whenever it is a damp drizzly November in my soul whenever I find myself involuntarily pausing before coffin warehouses and bringing up the rear of every funeral I meet and especially whenever my hypos get such an upper hand of me that it requires a strong moral principle to prevent me from deliberately stepping into the street and methodically knocking people s hats off then I account it high time to get to sea as soon as I can This is my substitute for pistol and ball With a philosophical flourish Cato throws himself upon his sword I quietly take to the ship There is nothing surprising in this If they but knew it almost all men in their degree some time or other cherish very nearly the same feelings towards the ocean with me Who told thee that cried Ahab then pausing Aye Starbuck aye my hearties all round it was Moby Dick that dismasted me Moby Dick that brought me to this dead stump I stand on now Aye aye he shouted with a terrific loud animal sob like that of a heart stricken moose Aye aye it was that accursed white whale that razed me made a poor pegging lubber of me for ever and a day Then tossing both arms with measureless imprecations he shouted out Aye aye and I ll chase him round Good Hope and round the Horn and round the Norway Maelstrom and round perdition s flames before I give him up And this is what ye have shipped for men to chase that white whale on both sides of land and over all sides of earth till he spouts black blood and rolls fin out What say ye men will ye splice hands on it now I think ye do look brave Aye aye shouted the harpooneers and seamen running closer to the excited old man A sharp eye for the white whale a sharp lance for Moby Dick
