Love and Lies Clancy Martin, 2015-02-03 Drawing on contemporary philosophy psychoanalysis and cognitive neuroscience his own personal experience and such famed and diverse writers on love as Shakespeare Stendhal Proust Adrienne Rich and Raymond Carver Clancy Martin himself divorced twice and married three times explores how love truthfulness and deception work together in contemporary life and society He concludes that learning how to love and loving well inevitably requires lying but also argues that the best love relationships draw us slowly and with difficulty toward honesty and trust Amazon com

Spies, Lies, and Allies: A Love Story Lisa Brown Roberts, 2018-05-01 Summers are supposed to be fun right Not mine I've got a job at my dad's company which is sponsoring a college scholarship competition I just found out that in addition to my job assisting the competing interns I'm supposed to vote for the winner Totally not what I signed up for My boss is running the competition like it's an episode of Survivor Then there's Carlos who is well very distracting in a good way But I can't even think about him like that because fraternizing on the job means instant disqualification for the intern involved As if that's not enough an anonymous informant with insider intel is trying to sabotage my dad's company on social media and I'm afraid it's working Much as I'd love to quit I can't Kristoff's Never Quit is our family motto I just hope there's more than one survivor by the end of this summer

Too True For Lies: A Child's Story Stephen D. Matthews, 2010-02-02 A Child's Story is memories transformed into an exciting short story that impacts all of your emotions This book takes you through the life of a child that struggles to live in an ever changing environment from a very young age through his teenage years If life is what you make of it as an adult what about when you are a child Maybe the answer to the question is easy for some but never is it easy for the child that goes through it in the absence of an adult Written by Stephen D Matthews

A Sucky Love Story Brittani Louise Taylor, 2018-12-04 Where does a moderately popular internet star who never leaves her house look for potential suitors Online Tinder Bumble Match com OkCupid I tried them all My thirty one year old self clicked and swiped her little heart out leading to more dates than I could count and more disappointment than I was prepared for Maybe you can relate Maybe you know all too well the perils of modern dating But let's say eventually you meet someone You think to yourself Wow they're perfect Take me off the market put a ring on it knock me up the whole enchilada because they are the one Let's also say that they feel the same way about you Your life starts to make sense All the pain heartbreak and frustration from past failed relationships was worth it Slow clap That's how I felt about Milos He was from Europe a doctor wealthy athletic He had an accent and a dog Milos was textbook marriage material For him it was love at first sight but for me it was anxiety on every date Something was telling me to run but for two years the only running I did was straight into his arms If only I would have listened This isn't a love story It's my story of survival
