N. Wilson, 2006-05-16 From the renowned historian and novelist comes a stunningly bold new work of fiction set in the darkly glamorous media world Wilson s London is a bleak if occasionally hilarious place murderous lustful money obsessed and haunted by strange gods **The Monster Book** Christopher Golden, Stephen R. Bissette, Stephen Bissette, Thomas E. Sniegowski, 2000-08 An official guide to Buffy the Vampire Slayer describes the mythology and influences behind the monsters ghouls and characters through interviews with the creators and details of the episodes *My Name is Legion* Charles Morgan, 1925 **The London Mercury** Sir John Collings Squire, Rolfe Arnold Scott-James, 1925 *Journey from the North, Volume 1* Storm Jameson, 2011-10-28 In 1960 Storm Jameson decided to write her memoirs The result was Journey from the North one of the great literary autobiographies of the century Volume One first published in 1969 tells of her childhood in Whitby before the First World War the strong ties with her formidable mother an early love of the sea her intellectual achievements at university and falling in love She vividly recalls her first marriage and the birth of her son then came her first book work in London and the deep happiness of her second marriage to Guy Chapman the novelist and historian In the thirties she became increasingly involved in politics and her accounts of the Depression and the rise of Fascism in Europe demonstrate her exceptional understanding of the years between the wars But the most extraordinary quality of this autobiography is its fine truthfulness Her candour about wanting to be an artist about failures of courage and of love her devotion to her son and yet a need for a life of her own is quite exceptional Journey from the North is a brilliantly told story of a fascinating life *Beyond Slavery* Chris Gooding, 2023-06-05 Is there life beyond slavery In the past twenty years there has been an explosion of research related to human trafficking However very little of it has examined the moral issues that

survivors face after they are freed or that aftercare workers face as they help survivors try to live a life outside of bondage And there has been almost nothing written on how the tools of moral and political theology might offer insight for Christians who wish to help survivors live a normal life after enslavement This book hopes to address this gap in the discussion Drawing on over fifty interviews with survivors aftercare workers and human trafficking specialists from his field work in India Chris Gooding confronts difficult questions that arise during rehabilitation Why do so many survivors of trafficking end up walking back into bondage What might life after slavery look like for survivors who helped enslave other people How can we build antislavery coalitions that keep survivors voices at the center Gooding looks at all these questions through the eschatological hope that Christians have that the Messiah will one day break every chain and free all people from all forms of bondage

Journey from the North Storm Jameson, 2025-07-29 ONE OF THE 20th CENTURY S FINEST MEMOIRS the sweeping candidly told story of a life in writing and politics with an introduction by Vivian Gornick who referred to the book as literary gold Stops you in your tracks I would like to persuade everyone to read it Sunday Times A compulsively readable beautifully written account of a fascinating 20th century woman and life This candid affecting portrait of a woman who loathed domesticity explores how she sought to balance a literary career with political commitment After a lifetime of writing a novel every year Storm Jameson turned to memoir with this stated ambition I am trying to write without lying The result was an extraordinary reckoning with how she had lived her childhood shadowed by a tempestuous dissatisfied mother an early unhappy marriage and her decision to leave her young son behind while she worked in London a tenaciously pursued literary career always marked by the struggle to make money and her lifelong political activism including as the first female president of English PEN a role she used to help refugees escape Nazi Germany In a richly ironic conversational voice Jameson tells of the great figures she knew and events she witnessed from encounters with H G Wells and Rose Macaulay to travels across Europe as fascism was rising Throughout she writes with electric candour and immediacy about her own motivations and psychology as she traces her lifelong struggle to live on her own terms
