My Name Is Ron And Im A Recovering Legislator:

My Name Is Ron, and I'm a Recovering Legislator Ron Gomez,2006-11 Ron Gomez is a journalist as well as a veteran of three terms in the Louisiana House of Representative Here he reports on the humor and theatrics successes and failures of Louisiana s system of government [Focus On: 100 Most Popular 20Th-century American Politicians](#) Wikipedia contributors,

The Party Is Over Robert Mann,2022-02-16 For decades the Louisiana political scene has been a source of interest and intrigue for scholars and casual observers alike In recent years the state s political economic and environmental challenges have drawn sustained attention from regional and national media Observers have typically focused on Louisiana s distinctive political culture including jungle primaries colorful candidates and tolerance for scandal However recent shifts have eroded the state s unique political character aligning it with national political trends of partisan realignment political polarization and outside influence in state and local elections The Party Is Over brings together top scholars journalists and policy analysts to investigate these recent shifts in institutions politics and policy and situate them in the context of national politics Both accessible and thorough the volume offers an informed and reliable foundation for those new to Louisiana s political culture and for long time observers seeking new insights into recent developments Contributors recognize the challenges posed by the new politics and point toward opportunities to leverage the state s cultural and economic strengths to build a better Louisiana [Voting and Political Representation in America](#) Mark P. Jones,2020-02-24 Examines voting trends and political representation in the United States today with a special focus on debates over voting rights voter fraud and voter suppression and election rules and regulations including those related to gerrymandering campaign fundraising and other controversial subjects Do average Americans have a voice in Washington Are they well represented or are they marginalized Do elections reflect fundamental democratic institutions and values or are they tarnished by voter suppression voter fraud gerrymandering or other factors To what extent do America s elected officials reflect the diversity of race religion gender socioeconomic background sexual orientation and political views of the wider American population This encyclopedia explores all these questions and more It examines important mechanisms and laws shaping political representation in America in the 21st century such as term limits gerrymandering the Electoral College and direct democracy ballot initiatives and referendums and the degree to which various demographic groups are represented in state and federal legislatures from Latinos and senior citizens to atheists and residents of rural states It also explains the basis for escalating concerns about both voter fraud and voter suppression **Modern American Extremism and Domestic Terrorism** Barry J.

Balleck,2018-06-01 Highlighting a breadth of American individuals and groups that engaged in extremist behavior across history this book provides a succinct concise overview of extremist behavior in the past and examines today s increasingly common incidences of hate and extremism Since the election of Barack Obama in 2008 extremist and hate groups have seen a resurgence on the American political landscape Members of these subgroups within the American population have become

concerned that the America that they have always known is fading into oblivion with a majority of individuals in these groups holding fiercely anti immigration views and adhering to the belief that the United States should not admit large numbers of any group that is not white Christian or predominantly European Others believe that the principles and precepts of the U S Constitution have gone by the wayside and that drastic measures are required to protect the underlying tenets that were the essential elements of the Constitution and many of their nation s founding principles How did these individuals come to feel this way is it possible to bring these impassioned extremists back into the fold and if so how This book provides comprehensive illuminating and sometimes disturbing insights into the individuals groups and events that have illustrated extremist behavior in post World War II America Ranging from the anti communist rhetoric and activities of the John Birch Society to the radical socialist ideals of the Black Panthers to the goals of a pure America articulated by white nationalists this book documents the various extremist elements that shaped the second half of the 20th century as well as the first two decades of the 21st century Readers will grasp how events in the histories of individuals and groups as well as perceived injustices have lead to the incidences of hate and extremism in American society The encyclopedic entries of the book are specifically written to accessible to readers without specific knowledge of extremism political science or sociology
