Personal War Dave Aquino, 2013-03 William Defreno is down on his luck and himself Maybe it s that he lives in a town seemingly owned by a rich man Randy Casner who has the police in his pocket infinite resources and doesn t care who he destroys in order to get his own way The dreadful Personal War starts when Randy runs William down with his Hummer breaking the young track star s leg in a rage of general lunacy and resentment for William s track talent William tries to pursue Mr Casner legally and discovers the full extent of this man s power Everything starts to down spiral from

there The local police begin to systematically harass him trying to get him fired from his job arrest him for any and every reason possible and ruin any chance of William having a relationship of any kind The more William tries to fight back the worse the warfare gets By the time William wants to quit the Personal War it s too late He is forced to engage in battle against Mr Casner who is clearly superior to him in every way With a little help from his friends William the underdog must find the willpower and strength within to save himself Yes people love an underdog but they always bet against him William Defreno About the Author Dave Aquino is the author of several novels including Personal War Personal War 2 Counselor and The Slot Machine He is working on his next novel Personal War Part 2 Dave Aquino,2013-01-25 After a close victory William Defreno is ready to call his foes defeated and enjoy the benefits of his winnings After hearing word that his plan was not fool proof William must return home to clear up what should be a small detail left untied To his bitter surprise another personal war awaits him upon his return The war is more brutal the motives higher the risks greater and the chances of victory are slimmer With a little help from his friends William must once again fight for what s right but this time he may have bitten off more than he could chew About the Author Dave Aquino is the author of several novels including Personal War Counselor and The Slot Machine He is working on his next novel **The Private War of Howie Beach** Howie Beach,2009-07 For some strange reason there was a common belief among World War Two vets that except for families relatives and close friends the general public really was not interested in their lives as combat soldiers The passing of time has helped those veterans who are alive today to feel comfortable in contributing their military exploits and personal history Mine is but one of many stories that can be told yet as time marches on I realize the extraordinary circumstance which allowed me to survive from Normandy to the Elbe It has served to validate historical accounts of key battles in five major campaigns and the atrocities committed by Germany before our freeing of surviving prisoners from death camps I also feel it my duty as an existing veteran of World War Two to honor my fallen combat brothers who deserved so much more for their valor than a humble grave or burial at sea Their heroics values and comradeship are etched indelibly in my memory To whatever degree I am able I wish to give life and meaning to those men who died so long ago and from whose ultimate sacrifice we have secured the liberties and freedoms we so long have enjoyed I must say I feel an added urgency to leave to the world and my posterity an eyewitness record of those historic eleven months from our landing on Omaha Beach to meeting the Russian Army on the Elbe River and the subsequent occupation of defeated Nazi Germany Author s statement Personal War Part 3 Dave Aquino,2014-08-22 It looks like William Defreno s finally made it He has a home his friends a girl and has transformed himself into a successful business owner Having put his infamous past behind him William now looks forward to quieter days and enjoying the fruits of his hard work But when a dispute over his old track record threatens his business and a con man moves in on his family William suddenly finds everything he s worked so hard for starting to unravel Instead of enjoying his well earned peace he soon finds himself fighting his hardest battles yet As the bitter fight

continues the business suffers and William's new respectable image is damaged Old friends grow distant and the people he loves begin to seem like strangers Soon it becomes clear that the harder he fights to hold on to his new life the closer it comes to slipping away Can William survive his third Personal War Or will one bad night send him into a downward spiral that he can't pull out of
