My Road to Opera Boris Goldovsky, Curtis Cate, 1979

The Opera Stage of Sarah Caldwell Kristina

Bendikas, 2020-06-01 Sarah Caldwell the leader of the Opera Company of Boston from 1958 1990 was a groundbreaking and idiosyncratic woman who established her own career as a conductor and stage director in an environment resistant to change This book investigates her choices as an opera director her influences her philosophies and her methods and situates her work within the history of opera in America Though she is remembered primarily as a conductor her passion and her greater influence on American opera was through stage directing With a repertoire that included ground breaking interpretations of works such as Nono's *Intolleranza 1960* Prokofiev's *War and Peace* and Bernstein's *Mass* Caldwell continually pushed her own artistic limits provoked critics intrigued audiences and challenged the status quo of opera production Her passion for opera her creative use of new technology and her influence in bringing opera to all sectors of American society culminated in 1997 when she was awarded the National Medal of Arts for her work as a pioneering woman in the American musical landscape and a tireless and innovative arts entrepreneur

From Johnson's Kids to Lemonade Opera Victoria Etnier Villamil, 2004 American baritone Lawrence Tibbett created an overnight sensation at the Metropolitan Opera in 1925 when the audience stopped the performance of *Falstaff* to honor their compatriot for his exceptional talent Tibbett's now legendary curtain call foreshadowed a startling new era for classically trained native singers who rarely received the public recognition or respect given to their European colleagues In this absorbing work Victoria Etnier Villamil chronicles the extraordinary time from 1935 to 1950 when American artists who felt intensely inferior to foreign performers journeyed from being unappreciated in their own country to standing without apology on stages at home and abroad Drawing on exhaustive primary research and extensive interviews Villamil tells the remarkable story of a generation of American opera singers whose profession image and art were forever altered by the upheavals of World War II as well as sweeping cultural and technological changes The author's in depth look at these breakthrough years explores such defining factors as Edward Johnson's drive to Americanize the Met in his first seasons as general manager the impact of the microphone on singers and singing styles and the importance of radio and motion pictures in introducing classical music voices to wider audiences Villamil also considers how travel restrictions imposed on European artists during the war unlocked opportunities for American artists and the role of political and Jewish refugees in enriching music education and training in this country In addition the author discusses thoroughly the founding of the New York City Opera the rise of regional and smaller opera companies including the enterprising and popular Lemonade Opera and advancements for African American classical singers Brimming with entertaining anecdotes and colorful figures both famous and little remembered the fascinating book concludes with an examination of this crucial period's legacy for the American classical music scene in the 1950s and beyond From Johnson's Kids to Lemonade Opera contains an invaluable appendix that provides biographical sketches of the over 250

opera and radio singers as well as art song specialists featured in this illuminating study **Music in Ohio** William Osborne, 2004 Music has played an important role in Ohio's cultural vitality This work offers a comprehensive look at music as it has been practised in Ohio from the 18th century onwards from folk to jazz to rock to the polka It also examines the music of the Moravians Mormons and Welsh The Opera Journal ,1978 **The Nightingale's Sonata** Thomas Wolf, 2019-06-04 Winner of the Sophie Brody Medal A moving and uplifting history set to music that reveals the rich life of one of the first internationally renowned female violinists Spanning generations from the shores of the Black Sea to the glittering concert halls of New York The Nightingale's Sonata is a richly woven tapestry centered around violin virtuoso Lea Luboshutz Like many poor Jews music offered an escape from the prejudices that dominated society in the last years of the Russian Empire But Lea's dramatic rise as an artist was further accentuated by her scandalous relationship with the revolutionary Onissim Goldovsky As the world around them descends in to chaos between revolution and war we follow Lea and her family from Russia to Europe and eventually America We cross paths with Pablo Casals Isadora Duncan Emile Zola and even Leo Tolstoy The little girl from Odessa will eventually end up as one of the founding faculty of the prestigious Curtis Institute of Music but along the way she will lose her true love her father and watch a son die young The Iron Curtain would rise but through it all she plays on Woven throughout this luminous odyssey is the story is Cesar Franck's Sonata for Violin and Piano As Lea was one of the first ever internationally recognized female violinists it is fitting that this pioneer was one of the strongest advocates for this young boundary pushing composer and his masterwork Ernst von Dohnányi James A. Grymes, 2001-06-30 As a result of both his political reputation destroyed by false charges of Nazism after World War II and his rejection of avant garde techniques the recordings and compositions of Ernst von Dohnányi went largely ignored for most of the 20th century In recent years however musicians have begun to revise their interpretations of 20th century music to include compositional and performance styles that like Dohnányi's adhered more closely to 19th century aesthetics Although performers and audiences worldwide have started to rediscover his musical legacy scholarship has not kept pace with their growing interest This bio bibliography corrects that As the first scholarly examination in English of Dohnányi's life and work it serves as the perfect introduction to an unfairly neglected 20th century artist A brief but insightful biography is followed by a list of works that reflects the most current research of Dohnányi's creative output It includes nearly 200 entries each of which collects such information as the date of composition the instrumentation of the work the publisher of its first edition the location of the manuscript and the date and location of its premiere The discography lists 400 sound recordings of the composer's work and the annotated bibliography includes 500 entries emphasizing performance reviews that offer substantial information about Dohnányi's works and style *Tanglewood* Peggy Daniel, 2008-06 The story of the summer home of the Boston Symphony since 1935 is told in first person accounts by many of the leading musicians critics and music professionals who consider Tanglewood a second home with contributions by Boris Goldovsky Seiji Ozawa and James Levine
