This is a story about an extraordinary woman who lived a seemingly ordinary life But appearances can be deceiving as Elizabeth Layton's journey was anything but ordinary Her story is of a woman whose roots reach deep into history and whose branches reach far into the future Generations of women in Elizabeth's family including the three authors of this book have and will face the same fights feel the same joys and walk the same paths Like Dorothy the other Kansas girl that finally realizes there's no place like home this pilgrimage begins and ends in a small town on the prairies of Kansas During Elizabeth's odyssey there is good and evil despair and hope and always a rainbow **In The Company Of Cows** Sequoyah Branham,2023-10-24 No one listens to Nora Kelly except her cows Thanks to a lengthy drought she is in danger of losing them her livelihood her job and the one place she feels that she can truly be herself the ranch The heifers never belittle or run her over when she tries to speak They don't mind that she fumbles over her words in fact they are the only creatures who have ever just listened to her Unfortunately no rain means no grass and no grass means no cows Nora's one hope is that her boss will find a new piece of land to lease but they only have six weeks to secure a place and relocate Determined to stay with the heifers Nora scrounges up every ounce of bravery she has and goes to the only person who could possibly help her intimidatingly successful uncle that she barely knows He's a ranch real estate agent with connections who

doesn't have time for an awkward niece Just when a lease finally fits all of her boss specifications Nora discovers the land is already leased to her uncle who might just be more family than she's ever experienced What if her boss taking this lease breaks the budding bond between Nora and her uncle But is she really willing to lose the only place she feels safe In the end Nora must decide what staying in the company of cows is worth *Brushes with Death* Nowick Gray, 2021-07-29 Both reckless and lucky this serial survivor seeks meaning in a life full of brushes with death and passing glimpses of fame The life threatening accidents and mishaps come in many shades from full fledged out of body experiences to near misses and close calls to highway mishaps dodging bullets edgy adventures stupid risks fights and wars sometimes just witnessing disaster or knowing others not so fortunate to escape it The narrator emerges with a guarded view of the shadowland of death and brief tastes of the wonderland of stardom Always coming back home again chastised and forgiven charged with fresh gratitude and humility **Dangerous Skies** Suzanne Fisher Staples, 2006-08-05 A Season of Change Along the Virginia shoreline where their families have lived for generations Buck and Tunes Smith defy tradition Raised together like brother and sister they are bound by surname but not by skin color And just as Buck has come to rely on Tunes Tunes has come to trust that even in a place where race can mean so much their friendship will remain as dependable as the tides But then the horrifying events of one spring afternoon tear them apart and change their world forever Desperate to hang on to the thing that he values most Buck struggles to uphold their friendship without realizing that his efforts are pushing Tunes farther and farther away From a Newbury Honor winning author this is a powerfully moving story of friendship in the face of racism and betrayal in the name of loyalty
